

UNIV 1101: BEARKAT U FIRST - GEN STUDENTS

We recommended that you enroll in the UNIV 1101: Bearkat U First-Gen Learning Frameworks course with other first-gen students. A student is considered first-generation if neither parent nor guardian earned a bachelor's degree in the United States. In this class, you will explore resources and strategies for early academic success and form an immediate connection to your college and the First-Gen Center.

As a First-Gen Student, you may alternately consider enrolling in a First-Gen section in your College. Please see the chart below for First-Gen sections by major for your consideration.
