

**Master of Library Science Program Application
Sam Houston State University**

The Master of Library Science requires: a Bachelor’s Degree, a valid Texas Teaching Certificate, thirty-three (33) hours of course work plus 3 semester hours of practicum in a Library Resource Center or one year of successful library work experience, and a passing grade on the TExES test.

The Master of Library Science program meets all the requirements of the Texas Education Agency for library certification in public schools in Texas including Windham School System of the Texas Department of Criminal Justice Institutional Division.

I wish to apply for admission to the program of preparation approved for this University by the State of Texas to qualify for the Master of Library Science. I understand that in order to qualify for the certificate I must satisfactorily complete the program as outlined in the Sam Houston State University catalog.
