A Member of The Texas State University System

Finance & Operations Policy FO-20
Food Service

One goal of the University is to provide the highest quality of dining service possible to students, faculty and staff. All dining facilities are open to all members of the university community and their guests. Arrangements for special luncheons, dinners and catering services may be made through the ARAMARK Food Services Office at extensions 41914, 41916 or 41930. Charges are based on the menu and number of people served. A University purchase order is required to be executed and at the time of booking the university event.
