- Went to the Ribbon Cutting at Comfort Suites
- Went to the Business Mixer at the Hampton Suites
- Went on the City Parks Tour with Mark Price
- Went Blueberry Picking
- Host to Courtney Hoffman
- Meet a wide variety of government official people as well as influential people throughout the community
- Attended rotary meetings
- Attended the Texas Chamber of Commerce Trade-Show

PROJECTS & RESOURCES & IMPORTANCE

- Researched and found all new addresses for the media contact lists
- Helped write the press release about myself and the press release for the fourth of July
- Typed all of the historic home tour packets and helped Linda with actually driving one of them
- Cleaned and organized the storage room
- Created the Events Distribution List
- Helped with the Hotelier Meeting and completing the boxes of brochures that they took.
- Helped decorate Wendy's truck for the Adrian Peterson Parade
- Researched Free Event Listing Websites
- Helped and Judged the Children's Fourth of July Parade
- Helped with room preparations for various meetings which is to include:
 - Packet preparations
 - Room set-up

PROJECTS & RESOURCES & IMPORTANCE

- Resources that I used:
 - Different city officials
 - Internet
 - Documents that the office already had
- Importance:
 - The importance of the projects that I did, not only helped out the marketing director and the economic development coordinator, but it allowed me to learn all of the different aspects of the a real work place and how to deal with certain aspects of work situations.
