SEND MONEY TO YOUR STUDENT

DID YOU KNOW YOU CAN EASILY SIGN UP ONLINE TO SEND MONEY TO YOUR STUDENT’S ONEACCOUNT? YOU DON’T EVEN HAVE TO WAIT UNTIL THEIR ONEACCOUNT IS ACTIVATED.

HERE’S HOW TO GET STARTED

STEP 1
Go to HigherOneCard.com and select your student’s college or university. From the program website homepage, first select the “Family & Friends” tab. Next, choose the “Click Here to Send Money” button.

STEP 2
On the next page you can view estimated costs for a typical semester along with a short list of what is required to complete the sign up process. When you’re ready to begin, simply select the “Sign up to Send Money” link.

STEP 3
Type in all of the requested contact information, then select the “Next” button.

STEP 4
Carefully type in your bank account information, then select the “Next” button.
This step allows you to send money to your student. Until your funding account has been confirmed (Step 6), the maximum amount you can send is $200.00. Note: It is very important that the recipient email address that you enter here matches the email address your student used to activate their card.

You may send money before the OneAccount has been activated. Higher One will immediately release the funds once the student activates their OneAccount.

You will receive an email from Higher One with instructions detailing how to confirm your email address and funding account. Once your funding account has been confirmed, the $200.00 limitation will no longer apply. Note: Funds will be made available to your student according to the "Funds Availability Schedule."
