Sponsorship Proposal

Dear Potential Sponsor,

This September, hundreds of SHSU families and athletes from local communities and all over the Harris and Montgomery counties will be traveling to Huntsville to attend SHSU's Barkat Family Weekend and to compete in the Barkat Bolt 5K. We are currently looking for sponsorships and donations to help make this event a huge success for the Rita B. Huff Animal Shelter, SHSU students that will receive scholarships, and every athlete that attends!

Benefit of Sponsorship

We currently have over 1,100 students in our fraternity and sorority life community, it is estimated that approximately 3,000 people will attend Barkat Family Weekend, and it is our goal to have approximately 500 people participate in this 5K event, and we expect our numbers to continue to increase every year. Position your business/organization with a healthy lifestyle/community and lifelong fitness associated with running. Position your business/organization with an attractive demographic: college students and their families.

Please know that in addition to advertising and promoting your business, your generosity means so much more. Money we raise from this year's event will benefit the Rita B. Huff Animal Shelter and the SHSU Greek Life Scholarship program.

If interested please contact us to discuss sponsorship levels and benefits:
