SHSU Greek Life: Mission, Purpose, and Goals

The mission of SHSU’s Greek Life program is to build an extensive Greek Community that will assist the university in heightening the collegiate experience through its fraternal commitments to academic achievement, community service, leadership, and the formation of fraternal alliances.

The purpose of SHSU’s Greek Life program is to serve as the liaison and as a resource to the collegiate chapters, alumni, parents, international organizations, and Sam Houston State University through providing educational programs, workshops, materials, and direction to members of the Greek community to uphold their fraternal principles. The goal of SHSU’s Greek Life program is to continually produce a distinguished Greek community that exalts academic excellence, leadership, and service, which embodies the core values of Sam Houston State University.
Congratulations on your decision to attend Sam Houston State University! You are about to enter some of the most exciting, challenging, and rewarding years of your life and we hope you all take advantage of all SHSU has to offer. We are very proud of our Greek community and what our students accomplish each year. Our fraternities and sororities provide one of the most comprehensive experiences of university life, focusing on achieving excellence in and out of the classroom.

Going Greek means more than just wearing Greek letters and attending meetings. Joining is about making friendships that will last far beyond your college years while enhancing your personal development by committing to ideals of scholarship, leadership, and service.

Your brothers and sisters are there to support you and help as you make the transition to college one filled with choices, connections and commitments. Greek Life at SHSU is multi-faceted; there is something in it for everyone:

Fraternity and sorority members hold their commitment to education in high regard by scheduling study nights, providing local and national scholarships, maintaining files of information from classes, pairing you with study buddies, rewarding outstanding academic performance, and providing scholastic assistance when needed.

Philanthropy is another source of pride for all Greeks at SHSU. Each organization supports a national or local philanthropy by hosting large and small-scale events as fund raisers or to spread awareness for a particular cause. They also encourage and reward volunteering on campus and in the local community.

Leadership opportunities will also begin right away. In most chapters, new members are given the opportunity to serve in various capacities. Remember, assuming sorority or fraternity membership means you have already been recognized by other students as being a leader on campus.

Since 1824, hundreds of thousands of men and women have made the commitment to experience Greek life. These members provide an extensive network, which is an advantage when seeking internships and jobs. Alumni organizations provide mentors for young members and enable members to continue to connect with sisters and brothers no matter where in the world you go after college.

Remember that this is a lifetime commitment and not just an experience you will have for your undergraduate days here at SHSU. We hope to see you at our events and look forward to seeing you as a member in the immediate future.

Eat ’Em Up Kats! GO GREEK!
The measure of a Life is its Service.
—Sam Houston State University Motto

Over 1,100 SHSU students are members of Greek Organizations
93% of Greeks were involved in at least one other SHSU student organization
32,071 hours of service completed during the 2017–2018 academic year
$120,712 raised for and donated to various charities during the 2017–2018 academic year
Four Pillars of Greek Life

LEADERSHIP

Developing leaders today for life after college is an essential part of Greek involvement. There are many ways to be a leader in SHSU’s Greek community, including chapter and/or council officer positions, national or regional leadership conferences, campus based leadership opportunities, motivational guest speaker workshops, and committee involvement.

SERVICE

Service is the backbone of Greek Life involvement at SHSU. It is perhaps the most honorable of the pillars, as members are given opportunities to participate in hands-on volunteer work as well as engage in philanthropic events to raise money for charitable organizations. These opportunities ensure that Greek members leave a positive lasting impression on their community and build continuous habits of giving back.
The four pillars of Greek Life reflect the values members of the SHSU Greek community strive to uphold. Concentrating on these four important areas ensures that Greek members will be versatile individuals ready to successfully handle their world during and beyond their collegiate years.

**SCHOLARSHIP**

Academic excellence is a vital aspect of Greek Life membership at Sam Houston State University. Scholastic standards are important for each individual fraternity or sorority as well as the Greek community as a whole. Programming incentives, recognition, and ongoing support are provided to help the Greek community pursue academic success. Academic achievement is the reason students are at SHSU; fraternities and sororities are constructed to help their members meet that goal.

**BROTHERHOOD & SISTERHOOD**

Joining a fraternity or sorority is about making lifelong relationships that carry-on beyond the boundaries of ordinary friendships. Bonds of brotherhood and sisterhood are created within an organization and provide SHSU Greeks with a home away from home, guidance, career networking, and a sense of community at a growing university. Greek members enjoy lifelong bonds and connections with friends that can provide support in life’s momentous occasions and celebration in life’s accomplishments.
Interfraternity Council

OVERVIEW

Interfraternity Council (IFC) is the self-governing student organization that provides guidelines and support to its member fraternities. The role of the IFC executive board is to create proper programming protocol in order to ensure that their purpose as an organization comes to fruition. Each member organization of the IFC focuses on different aspects of fraternity life including, athletics, academics, campus involvement, leadership, and brotherhood.

As an organization, they are very structured and have various documents that outline their policies. IFC has a Constitution that outlines the reason behind their existence as an organization and three main documents that are followed by all constitutions: the Judicial Board Bylaws, the Recruitment Policy, and the University’s Risk Management Policy.

HOW TO JOIN

IFC recruitment week occurs 2-4 weeks into the semester, Recruitment is open to any male student attending SHSU that is in good standing with the university. All returning SHSU students as well as transfer students must have a 2.5 or higher overall grade point average. For information on IFC Recruitment and to register visit: shsu.edu/greeklife/ifc

Multicultural Greek Council

OVERVIEW

The Multicultural Greek Council serves as a governing body that creates and maintains high standards in the life of culturally based fraternities and sororities. The Council addresses, manages and creates strategic programming to unify organizations involved in MGC, upholds higher education, provides community services, improves leadership and encourages a positive relationship between MGC members, other Greek Councils, the university student body and administration, thus improving campus life.

HOW TO JOIN

These organizations conduct intake at different times throughout the year so it is best to contact them directly for further information about how to join. Students must have a 2.5 overall grade point average to join a fraternity or sorority in MGC. Attending their “Greek Showcase” along with individual chapter functions are a great way to meet and get to know members of the organizations. For more information visit: shsumgc.weebly.com

National Pan-Hellenic Council

OVERVIEW

The National Pan-Hellenic Council (NPHC) at Sam Houston State University promotes interaction through forums, meetings, and other mediums for the exchange of information and engages in cooperative programming and initiatives through various activities and functions. Along with NPHC programming, each individual chapter provides creative, innovative, and educational programs for the campus throughout the year. Chapters also provide social activities and events unique to their organization.

HOW TO JOIN

Unlike the other councils, NPHC chapters conduct their membership selection or “membership intake process” independently and at different times. Chapters usually conduct interest meetings that are relatively formal in nature. Prior to membership, students must usually provide transcripts and letters of recommendation. Students must have a 2.5 GPA to join an NPHC organization. Attending the individual chapter’s functions is a great way to meet and get to know members of the organization as well as their “Greek Assembly” program which all interested students are required to attend before joining a NPHC organization. **Panhellenic Council**

**OVERVIEW**

The Panhellenic Council at Sam Houston State University exists to promote the value of and to serve as an advocate for its member groups in collaboration with those members, campuses, and communities. Each member group is autonomous as a social, Greek-letter society of college women and alumnae. Each member organization of the Panhellenic Association focuses on different aspects of sorority life including athletics, academics, campus involvement, leadership, and sisterhood. The Panhellenic Association provides a way for member organizations to work together and achieve a greater level of success.

**HOW TO JOIN**

Sorority recruitment is a formal process for prospective sorority members to meet women of the 5 Panhellenic Association chapters at SHSU and for the chapter women to meet the potential new members as well as learn what it means to be a member of the Panhellenic Association and SHSU Greek community. Students must have a 2.5 overall GPA to join a Panhellenic organization and many require higher than a 2.5. Recruitment is a mutual selection process that takes place over a period of several days. Formal recruitment occurs during each fall. Some chapters may also recruit after formal recruitment period during a period called Continuous Open Bidding (COB) or informal recruitment (which takes place after formal recruitment or during spring semester). The process during informal recruitment varies from chapter to chapter. For more information on Panhellenic Recruitment and to register, visit: shsu.edu/~org_npc

The National Order of Omega is an honorary organization for members of Greek letter social fraternities and sororities. It was founded at the University of Miami in 1959 as an incentive group for fraternities recognizing leaders in the various mens’ social groups on that campus. Order of Omega operated locally until 1967 when a second chapter was chartered at the University of Southern Mississippi. In 1977 Order of Omega became co-educational. In 1983 a National Board of Directors and Executive Officers were established. Today there are over 300 chapters of Order of Omega on college campuses. Membership requirements of the Iota Psi chapter are that one must be a Greek student registered as full-time or part-time at Sam Houston State University, be in good standing with their Greek organization, as well as have a collegiate GPA above the All-Greek average.

The purpose of the Order of Omega is threefold:
1. To recognize those students who have attained a high standard of leadership in inter-Greek activities, to encourage them to continue along this line, and to inspire others to strive for similar conspicuous attainment.
2. To bring together the most representative fraternity and sorority members, and to create an organization which will help to mold the sentiment of the institution on questions of local and intercollegiate affairs.
3. To bring together members of the faculty, alumni and student members of the institution’s fraternities and sororities on a basis of mutual interest, understanding and helpfulness.

Aside from these goals, the Iota Psi chapter of Order of Omega hosts SHSU’s official Greek Life awards showcase, “The Pantheon,” which recognizes Greek chapters and student leaders that have gone above and beyond expectations to impact the SHSU campus and local Huntsville community.
