why SHSU?

This is a university that thinks big but feels small. With a student population of over 18,000, SHSU prides itself with creating a close community. Current students and alumni alike attest to the warm, supportive environment found all over the SHSU campus. Faculty members are more than professors—they are mentors, advisors, informal tutors, and personal links to great career connections.

Sam Houston State University has something—and then some—for everyone. No matter where you look, you will find ways to have fun, make great friends, enjoy the arts, serve others, and challenge yourself.

An education from Sam Houston State University prepares graduates to be a vital part of the world. It gives them the theoretical and practical knowledge to understand and solve challenges. It equips them with the experience and confidence to become effective leaders. It develops in them a heart for service to their communities. It gives them the tools they need to have an impact—as new graduates and for the rest of their lives.

There are many ways to learn more about Sam Houston State University, but the best way is to come visit campus and experience it for yourself.

Agricultural Business

The Bachelor of Science in agricultural business is ideal for students interested in learning the business aspects of the agricultural industry.

Students pair the agribusiness major with a minor to meet their educational and career goals.

Agricultural Sciences and Engineering Technology: Agricultural Business Bachelor’s Degree

Cultivating Capital

The Bachelor of Science in agricultural business at Sam Houston State University provides the opportunity for students to develop an understanding of agriculture with emphasis in management, marketing, and service. The program includes courses in agribusiness management, policy, marketing, finance, business organizations, and other areas related to business and management.

CAREERS

The agribusiness curriculum prepares students for employment in banking, farm and ranch management, business management, extension education, agriscience education, state and federal agencies, sales and marketing, and many other fields related to business and economics, or to pursue graduate studies.

SCHOLARSHIPS

Students may apply for agriculture-related scholarships and all other university scholarships by completing a single ScholarX application. Over 50 scholarships are awarded annually with a total value exceeding $110,000. Thanks to the generous support of our donors and alumni, our scholarship funds and endowments continue to increase each year. Transfer scholarships are also available for students who would like to continue their academic career at Sam Houston State University.

STUDENT GROUPS

Students are encouraged to actively participate in professional extracurricular activities. Some of those sponsored by the department include Agricultural Business Club, Delta Tau Alpha, National Agriculture Marketing Association, and Rodeo Club.
