why SHSU?

This is a university that thinks big but feels small. With a student population of over 18,000, SHSU prides itself with creating a close community. Current students and alumni alike attest to the warm, supportive environment found all over the SHSU campus. Faculty members are more than professors—they are mentors, advisors, informal tutors, and personal links to great career connections.

Sam Houston State University has something—and then some—for everyone. No matter where you look, you will find ways to have fun, make great friends, enjoy the arts, serve others, and challenge yourself.

An education from Sam Houston State University prepares graduates to be a vital part of the world. It gives them the theoretical and practical knowledge to understand and solve challenges. It equips them with the experience and confidence to become effective leaders. It develops in them a heart for service to their communities. It gives them the tools they need to have an impact—as new graduates and for the rest of their lives.

There are many ways to learn more about Sam Houston State University, but the best way is to come visit campus and experience it for yourself.
Agricultural Sciences and Engineering Technology: Interdisciplinary Agriculture Bachelor’s Degree

Wide Open Options

The Bachelor of Science in interdisciplinary agriculture is designed to meet the needs of students desiring a program of study in agricultural production management, agricultural education, extension education, or any of several other fields of study. The program allows for the selection of a minor in special interest areas such as chemistry, biology, business, environmental science, secondary education, or computer science.

CAREERS

Most interdisciplinary agriculture graduates pursue careers as agriculture teachers or county AgriLife Extension agents. Other career opportunities with this degree include employment by state and federal government agencies (Department of Agriculture, National or State Parks, etc.), professional associations, nonprofit organizations, and consulting firms.

SCHOLARSHIPS

Students may apply for agriculture-related scholarships and all other university scholarships by completing a single ScholarX application. Over 50 scholarships are awarded annually with a total value exceeding $110,000. Thanks to the generous support of our donors and alumni, our scholarship funds and endowments continue to increase each year. Transfer scholarships are also available for students who would like to continue their academic career at Sam Houston State University.

STUDENT GROUPS

Students are encouraged to actively participate in professional extracurricular activities. Some of those sponsored by the department include Block and Bridle; Collegiate FFA; Delta Tau Alpha; Ducks Unlimited; Minorities in Ag, Natural Resources, and Related Sciences; Rodeo Club; and Texas Trophy Hunters.
