- The award recognizing those in upper administration was presented to Provost David Payne.

Greetings on behalf of the president were offered by Dr. Payne; Dr. Gaertner had been regrettfully detained. Provost Payne relayed the administration’s appreciation for the harmonious and friendly relationship that has been maintained with the senate. He stressed the important and vital role of the senate on campus and his personal appreciation for our efforts. Following his remarks, Dr. Payne presented an award to Dr. Edmonson in recognition of her term in service as senate chair. Dr. Payne commented that she was a wonderful leader and a has been a pleasure to work with. He also congratulated her on her recent promotion to Acting-Chair within the College of Education.
Old Business:
Chairperson Edmonson provided a report on the status of various resolutions and recommendations made during the 2008-2009 senate year. A summary of this report is included as an attachment to the minutes.

New Business:
Passing of the Gavel
The traditional gift exchange between the 2008-2009 Chairperson, Dr. Stacey Edmonson, and the 2009-2010 Chairperson, Dr. Paul Loeffler, marked the transition of the respective senates and the induction of the new senate chair.

Introduction of New and Old Senators

Special Guest: Dr. Debra Andrist, Chair of the Department of Foreign Languages.
Dr. Andrist reviewed for the senators the role of foreign languages on campus and the many new efforts and activities. These include the introduction of new course offerings, such as ASL and Arabic, as well as efforts to provide outreach to our students, such as on-line German and Spanish, and “practice tables” manned by students as part of their service-learning course requirements. Her detailed handout is included as the second attachment to the minutes.

Election of Chair-Elect:
Dr. Mark Frank, from the Department of Economics and International Business, was unanimously elected as chair-elect for the 2009-2010 year, and as chair for the 2010-2011 year.

Committee Assignments:
Chairs for each committee were determined in short meetings. Academic Affairs – Renee James; Committee on Committees – Gerald Kohers; Faculty Affairs – Brian Loft; University Affairs – Melinda Miller.

Special Senate Election
Due to resignations and a sabbatical, the College of Humanities and Social Sciences is underrepresented in the Faculty Senate. In accordance with Article II, Section 2 of the Faculty Senate Charter and Bylaws, a vacancy would ordinarily be “filled by the person receiving the next highest number of votes in the most recent spring election.” As no such person exists, a special election will be conducted to fill a two-year open position (term to expire in August 2011). The Committee on Committees agreed to send an announcement of the vacancy to all tenure/tenure track faculty in the college of H&SS, with a subsequent special election to follow.

Resignation of a Senator
Senator Souryal has been unable to attend senate meetings and senate-committee meetings. Discussions and proceedings considered the options offered in the Faculty Senate bylaws concerning vacancy due to resignation and vacancy due to removal. The resolution of the senate was to declare the seat vacant and affect the change as a vacancy due to removal if necessary. Subsequent communication with Chairperson Loeffler resulted in Senator Souryal requesting a vacancy due to resignation. In accordance with the senate by-laws, the position will be filled by the person receiving the next highest number of votes in the most recent spring election.
Senate Input:
- Several senators reported growing faculty concerns related to the limited availability of on-campus parking during peak-demand hours. The Faculty Affairs Committee agreed to consider complaints related to the shortage of available faculty and staff parking, as well as the cost of parking in the Parking Garage. The University Affairs Committee agreed to consider complaints regarding the traffic on Avenue I between the Lee Drain Building and the College of Humanities and Social Sciences, and Avenue I between the Parking Garage and the Music Building.
- A general discussion ensued over the 2009 market adjustments. Concerns were raised over the lack of clarity in the criteria for allocation of these funds.
- Senator Murphy-Manley raised the issue of tuition support for children of faculty and staff who attend Sam Houston State University.
- After a general discussion, the Faculty Affairs Committee agreed to consider concerns over the transparency and administration of the Faculty Excellence Awards.
- Chairperson Loeffler raised concerns over the lack of involvement of the Faculty Senate in the review of policies put forth by the university.

Senate adjourned at 5:10pm

Respectfully Submitted,
Paul Loeffler, Chair
Mark Frank, Chair-Elect
