**SECTION III – Department of Recreational Sports Procedures for Evacuation, Lock-Down and Shelter-In-Place**

- **RSC/HKC Procedures**
  - The RSC Staff will be responsible for the safety and security of all occupants in the RSC and HKC. In the event of an evacuation, all building occupants will follow the evacuation plan outline in Section V. In the event of a shelter-in-place or lock-down emergency, RSC/HKC staff will direct all occupants away from all front door and lobby areas and wait for further instructions. Individual and specific responsibilities are as followed:
    - Facility Supervisor (SUP): Will secure and lock all entrances to the facility. They will also be responsible for monitoring university channel communication and the monitoring of facility staff communication as well if no Assistant Supervisor.
    - Assistant Supervisor (AS): (IF ON DUTY) Will assist SUP will lock down facility. AS will also be responsible for communication between RSC Staff.
    - Member Services (MS): Will Monitor Main Entrance of facility while staying behind counter and away from all windows.
    - Front Door 1 (FD1): Will have a radio and monitor ground level EXIT of the RSC.
    - Equipment Issue (EI): will assist Member Services from behind the counter.
    - Front Door 4 (FD4): Will move into gym and assist the Hallway worker with monitoring entrances and exits.
    - Hallways: Will move away from site with the doors and monitor entrances and exits in hallway.
    - Gym One and Gym Two - Stay in gym and assist patrons with questions.
    - Racquet Ball Courts and Hallway- Staff will also move to gym with Hallway workers and FD4.
    - Weight Room – Staff will move people into the gyms and wait for further instructions.
    - Climbing Gym - Staff will move people away from windows and monitor ground level for activity.

- **Aquatics Area**
  - The Aquatic Staff is responsible for the safety and security of the Aquatic Area and its occupants.
  - Lifeguards will lock all gates and facility entrances around the pool area. They will then move indoors to the Computer Station located between the RSC and the HKC.
  - Lifeguards will ensure that all occupants, currently in the facility, do not exit in a lock-down or shelter-in-place situation. Lifeguards will also make sure that nobody enters the facility during a lock-down.

- **RSC Office Suite 162**
  - Full and part-time staff working in office suite 162 is responsible for vacating everyone in the office in the event of an evacuation, as per the evacuation plan listed in Section V. In the event of a lock-down or shelter-in-place emergency, reception staff will lock the office suite and then forward main office phone lines to conference room 162 A (4-4794). Everyone in the office suite should then proceed to the conference room and await further instructions.

- **HKC Office Suite 104**
  - Full and part-time staff working in office suite 104 is responsible for vacating everyone in the office during an evacuation, as per the evacuation plan listed in Section IV. In the event of a lock-down or shelter-in-place emergency, all occupants should go to conference room 104 F. Everyone will wait for further instructions.
• **Johnson Coliseum**  
  o Coliseum Staff will be responsible for the safety and security of all occupants in the facility. During a facility lock-down or shelter-in-place emergency, the Facility Operations Coordinator will lock all 28 exterior doors and the east tunnel door. Operations Coordinator, or designated representative, will inform all building occupants that the facility has gone into lock-down mode. In most cases, occupants will remain in place and wait for further instructions. In the case of tornadic activity, occupants will proceed to the lower level of the Coliseum.

• **University Camp**  
  o The University Camp will adhere to all University policies and procedures and shall be operating from a separate and evolving site specific Emergency Procedures Manual.

**SECTION IV – Location of Emergency Equipment**

• **Emergency Exits**  
  o All Exits are clearly marked in each facility. Please refer to the diagram below in Section V for a review of all exits.

• **Fire Alarm Pull Stations**  
  o Fire Alarm Pull Stations are clearly marked in each facility.

• **Fire Extinguishers**  
  o Supervisors for each facility will be responsible for knowing where each extinguisher is located.  
  o Extinguishers are clearly marked on evacuation diagrams located around each facility.  
  o Department employee manuals also have locations shown.  
  o Refer to attached diagrams below in Section V for fire extinguisher locations.

• **First Aid Kits**  
  o Facility Supervisors, Assistant Supervisors and Lifeguards carry Fanny Packs with supplies.  
  o First Aid Cabinet is located behind the Member Services Desk marked 164 on diagrams around facility.  
  o Johnson Coliseum has First Aid Kits located in both Rooms 204 and 117.

• **AED (Automated Electronic Defibrillator) Locations**  
  o Johnson Coliseum  
    ▪ There is an AED located on the concourse level, beneath Section Q.  
    ▪ All graduation events require EMS services and they carry an AED. EMS will be located in Office 117 on the ground level.  
    ▪ During all Athletic events, the SHSU training staff will carry an AED. Training staff will be located at playing court.  
  o Recreational Sports Center  
    ▪ The first AED is located behind the Member Service’s Desk (RSC 164).  
    ▪ The second AED is located outside of the HKC 104 Office Suite.  
    ▪ The Aquatic AED is located in the Pool Manager Office (RSC 172).
