Colleges Against Cancer

Colleges Against Cancer is a student organization that helps promote awareness of cancer, raise money for cancer research and services, and provide support for those going through their battle with cancer through the American Cancer Society. The hope is that one day we can find a cure for this terrible disease. Help us by joining our committee, donating money, volunteering, or by participating in our events like the Relay For Life. C.A.C. meets on Thursdays in room 304 of the Lowman Student Center at 5:30 p.m.
