A FAMILY OF BEARKATS

a
Celebration
of
Giving

THANK You

You cannot be thanked enough ...

During 2007 – 08, Sam Houston State University experienced another outstanding year for private giving. Your contribution and the generosity of thousands of alumni, friends, faculty, staff, corporations, organizations, and foundations helped to undergird our university's 129 year-old tradition of providing a high-quality, accessible higher education to our students.

Giving once again exceeded the \$7 million mark as 6,356 individuals made more than 12,000 gifts to this grand old university. I am especially gratified by the continued growth in the number of alumni donors. I am also very proud that more than 77% of our university's faculty and staff gave nearly \$240,000 in support of Sam Houston State.

Our Share the Vision Campaign continues steadily toward successful completion of the \$50 million goal. At the end of the fiscal year on August 31, 2008, more than \$42 million in commitments had been received with two and one-half years left in the five-year campaign.

With the troubled state of our nation's economy, most charitable organizations are forecasting a decline in philanthropy. I am optimistic the vast majority of our loyal alumni and friends will be able to help us to continue the progress made over the past few years. Some may find their budgets a little tighter, and I ask that they stay involved and give thoughtfully. Others' situations may permit an increase in their support during 2008 – 09, which would be both timely and deeply appreciated.

On behalf of our faculty, staff, and most importantly, our student body, thank you for caring about Sam Houston State and its students. Thank you for taking the time to consider and make your contribution. Thank you for believing that this is a very special place, and please remember we consider you to be a special part of what we do everyday.

Sincerely,

James F. Gaertner, '65 & '70

OFFICE OF DEVELOPMENT CAMPUS CALLERS

Calling all Rats!

Our students, the Campus Callers, call alumni each semester to increase support for the Annual Fund campaign. Annual Fund dollars help support the academic departments, student scholarships, athletics, and faculty development. In addition to increasing financial support, the phonathon provides a way to connect with alumni. The Campus Callers are able to visit with alumni and give updates on current events across the campus.

1879 Society

Leaving a Legacy

The society commemorates the university's founding and recognizes individuals who make planned gifts. Gift planning enables donors to make lasting contributions that are often larger than their ability to make an outright cash gift. Planned gifts include appreciated assets, bequests, gift annuities, trusts, life insurance, and real estate.

FIVE YEAR DONOR GIFT COMPARISON

FIVE YEAR COMBINED GIVING COMPARISON

How *to* GIVE

GIVING OPPORTUNITIES

Your gift to Sam Houston State University ensures the future of a classic and collegiate atmosphere that is rich in tradition and solid in academic programming. The university applies unrestricted gifts to the areas of greatest need but you can also earmark gifts for a specific college, department, program, approved project, or the general scholarship fund. Gifts can also be restricted for an existing scholarship program or endowment fund. Contributions can be allocated to more than one area. Our Development Team works diligently to deliver a unique and memorable experience for donors.

TRIBUTE GIFTS

Your gift can be a personal tribute honoring a family member, friend, or professor who may have made a difference in your life. Notifications are sent to the honorees and, if appropriate, to the families of those being memorialized.

SCHOLARSHIPS

Scholarships allow Sam Houston State University to attract and retain talented and deserving students. For many of these students, scholarships make possible an educational opportunity that they might not otherwise be able to afford. Donors can direct their annual gifts to the university's general scholarship fund or to other existing scholarship funds.

Named Scholarships Donors may want to consider establishing a named annual scholarship, which can be a meaningful way of honoring or memorializing a loved one, friend, colleague, professor, or to commemorate a special occasion.

Named scholarships can be created with a suggested gift of \$1,000 or more.

ENDOWMENTS

An endowment is a permanent investment of private gifts for the benefit of the university. An endowment gives forever, since the principal remains intact, while the income produced off the invested assets is used to support student and other university needs.

Donors can earmark their gifts for an existing endowment fund, or they may prefer to consider creating a new, named fund. Endowments can be created by individuals, businesses, and foundations.

The suggested amount for establishing a new endowment fund is \$25,000 or more. A commitment of this magnitude can be pledged and paid over a five-year period.

Endowed Scholarships These endowment funds will provide income to award a range of need-based and merit-based scholarships that are

essential to enhancing the quality of the academic environment for all students and faculty.

Student Program Endowment This type of endowment will provide funds to enrich student life and activities.

Academic Program Endowments Program endowments provide academic enrichment funds to refine and expand educational offerings.

Faculty And Staff Endowment This endowment will enhance the quality of instruction and research. It will greatly assist the university's efforts to attract and retain outstanding faculty and administrative staff by providing salary supplements and support professional development funding. Prestigious endowed chairs and professorships will support exceptional faculty in each of the five colleges.

How To CONTRIBUTE

CASH, CHECK, OR CREDIT CARD Gifts may be made in the form of cash, check, or credit card payments. Sam Houston State University accepts Visa or MasterCard. These gifts are tax deductible in the year the gift is given.

ONLINE GIVING Secure online gifts can be made at www.shsu.edu/giving.

CORPORATE MATCHING GIFTS Many companies will match gifts made by their employees, retirees, and directors. This is an excellent way to double or even triple the amount of your gift. Most companies with matching programs have the forms available in the human resources department.

PERSONAL PROPERTY In certain circumstances, you may be able to gift personal property—artwork, collectibles, and antiques—to Sam Houston State University.

SECURITIES, STOCKS, BONDS You may use stocks, securities, and bonds as part of your gift or all of it. If the securities have appreciated greatly, you may find that you can make a larger gift at a lower cost than if the gift were made in cash. Gifts of closely held stock or other business interests can be converted into cash.

REAL ESTATE A gift of real estate provides the donor the opportunity to support Sam Houston

State University, resulting in a possible charitable income tax deduction, a reduction in estate taxes and reduction of capital gains tax.

GIFT-IN-KIND Gifts-in-kind are generally defined as non-cash donations, other than real and personal property of materials or long lived assets. The IRS and the University require that gifts-in-kind valued at more than \$5,000 also have an independent appraisal provided by the donor. Please contact the Development office for more details.

PLANNED GIFT You can provide a gift of personal assets through your will. Planned gifts can include cash, stocks, bonds, retirement plan assets,

insurance policies, real property, personal property, or other negotiable items.

CONTACT INFORMATION Sam Houston State University offers many giving opportunities, several of which are mentioned on this page. For more information or to make a gift in support of SHSU, please contact the University Advancement office and ask to speak with a development officer at 936.294.3625 or visit us at www.shsu.edu/giving.

Carol Templeton, Cindy Truax, Rhonda Ellis, Frank R. Holmes, Vice President University Advancement, Thelma Mooney, Darlene Andrews, and Jacel Angel.

*i*Give...^{Why}

i give because it allows me to continue the gift of education and opportunity for generations to come maintaining the spirit and purpose that led to the founding of Sam Houston State in 1879. It is the gift of education from Sam Houston that opened the world to me and a sea of endless opportunities. The privilege to give to future students reaffirms my faith in the potential of our school, state, nation and the world to be a better place. The joy of learning for a lifetime was the gift I received from my fellow students, staff, and faculty at Sam Houston State University. It is a gift that can never be taken away!—Charles W. Jones III, 1981

Y^{thank} You

*S*am Houston State University is a tremendous place to grow and discover my personal success. The campus is traditional, yet the technology is up-to-date. My business and accounting professors are highly skilled, teaching both theory and real-world problem solving. My scholarship allows me to complete my education and prepare for my career. Thank You!
