Select View Holds at the bottom of the page for instructions on what the hold is and where to go to clear it.

You must clear all of registration issues before the system will allow you to register. For example, this student would require **two** actions to clear registration:

- You are not permitted to register at this time** means the student must see an academic advisor to be cleared. The green checkmark in Academic Standing tells the student that they need to be seen for something other than Probation or Suspension.
- You have Holds which will prevent registration** means the student actually has a hold such as a Past Due Balance or TSI hold. The student will have to select the **View Holds** option at the bottom of the page in order to see which holds must be cleared by whom.
