Harris, P. B., Boccaccini, M. T., Hawes, S. W., & Murrie, D. C. (2016, March) A systematic review of PCL-R mean scores from recidivists and non-recidivists from sex offender samples. Poster [to be] presented at the annual meeting of the American Psychology-Law Society, Atlanta, Georgia.

Harris, P. B., Boccaccini, M. T., & Schrantz, K. N. (2016, March) Evaluator differences in behavioral abnormality conclusions and paraphilia diagnoses in sexually violent predator cases. Poster [to be] presented at the annual meeting of the American Psychology-Law Society, Atlanta, Georgia.

McCallum, K., & Boccaccini, M. T. (2016, March). Do evaluators consider the combination of sexual deviance and psychopathy as a separate risk factor in sex offender risk assessments? Paper presented at the meeting of the American Psychology-Law Society, Atlanta, GA.
McCallum, K., & Boccaccini, M. T. (2016, March). *Clinical judgment may be more influential in sex offender risk assessments, despite the use of actuarial measures.* Poster presented at the meeting of the American Psychology-Law Society, Atlanta, GA.

2015

Tomei, J.T., Cramer, R. J., & Bate, B. P. (2015, May). Contemporary issues in jury research: Maximizing ecological validity as a trial consultant. Poster presented at the American Society of Trial Consultants Conference, Nashville, TN.

2014

Johnson, S., Cramer, R. J., Gardner, B. O., & Gonzalez, E. (March, 2014). *What patient and psychologist characteristics are important in competency for physician assisted suicide evaluations.* Poster presented at the annual meeting of the American Psychology-Law Society, New Orleans, LA.

2013

Boccaccini, M. T., Murrie, D. C., Rufino, K., & Guarnera, L., (2013, March). Does confirmation bias explain adversarial allegiance effects? In Murrie, D. C., & Neal, T. (Chairs) When and how are experts

2012

Boccaccini, M. T., Murrie, D. C., Rufino, K., & Guarnera, L. (2012, March). Were evaluators influenced by the side that retained them: Results from an experimental study of adversarial allegiance. In M. T. Boccaccini (Chair), Are forensic evaluators retained by the side that paid them? Symposium presented at the meeting of the American Psychology-Law Society, San Juan, PR.

Gonzalez, Jr., E., Varela, J. G., Canales, E. J., Percosky, A. B., & Tellez, A. (2012). *Comparisons of criminogenic needs, risk, and strengths between veterans and non-veteran inmates as measured by the IORNS.* Poster presented at the annual meeting of the American Psychology and Law Society, San Juan, PR.

Harris, P. B., Boccaccini, M. T., & Hamilton, P. (2012, March). *Cross-validation the IORNS in a sample of sexual offenders being evaluated for SVP commitment.* Poster presented at the meeting of the American Psychology Law Society, San Juan, PR.

Kline, S., Varela, J. G., Boccaccini, M. T. (2012, March) *Does the Personality Assessment Inventory predict violent recidivism similarly for White, Black, and Latino sex offenders?* Poster presented at the meeting of the American Psychology-Law Society, San Juan, PR.

Murrie, D. C., Boccaccini, M. T., Guarnera, L., Rufino, K., & Binns, M. (2012, March). Participants as discussants: Forensic evaluators discuss study implications and limitations. In M. T. Boccaccini (Chair), Are forensic evaluators retained by the side that paid them? Symposium presented at the meeting of the American Psychology-Law Society, San Juan, PR.

Turner, D., Chevalier, C., Boccaccini, M. T., & Murrie, D. C. (2012, March). Do SVP jurors believe that offenders with higher risk measure scores are more likely to reoffend? Poster presented at the meeting of the American Psychology-Law Society, San Juan, PR.

crimes. Symposium presented at the annual meeting of the American Psychology and Law Society, San Juan, PR.

2011

Lotts, V.A. & Henderson, C.E. (2011, October). Preliminary Results: Predicting Treatment-related change in adolescent substance use from change in recovery environment. In C.E. Henderson (Chair), Effectiveness of the Adolescent Community Reinforcement Approach for Justice-Involved Youth: Results from an Independently Conducted Randomized Controlled Trial. Symposium conducted at the meeting of Addiction Health Services Research, Fairfax, VA.

2010

Simpler, A. H., & Parmenter, B. A. (2010, June). *Brief Visuospatial Memory Test-Revised (BVMT-R) performances of civil and forensic patients who pass or fail the Medical Symptom Validity Test (MSVT).* Poster presented at the annual meeting of the American Academy of Clinical Neuropsychology, Chicago, IL.

2009

2007

Caillouet, B., Boccaccini, M.T., Davis, D., & Rostow, C. (2007, August). Defensive responding and predictive validity of the PAI with police. In D.C. Murrie (Chair). The PAI applied to forensic, sex-offender, and
law enforcement research. Symposium paper presented at the meeting of the American Psychological Association, San Francisco, CA.
