Essay Requirements

Applicants must respond satisfactorily to the following qualifying questions in no more than two typewritten, double-spaced pages total:

1. What is your experience related to the counseling field, either paid or volunteer?
2. What are your aspirations related to the field of counseling?
3. Describe one or more significant life event(s) that contributed to the development of these aspirations.
4. What is one personal characteristic or quality that you most need to modify, improve or change in order to realize your aspirations?

Responses that exceed two typewritten double-spaced pages to answer all the questions will not be considered.
