

The Project Management Institute Houston Educational Foundation (PMIHEF) is dedicated to serving students studying Project Management. The Project Management Institute Houston Educational Foundation recently approved \$40,000 in scholarships to be given out in \$2,000 increments to students who are studying the Project Management field. We are excited to support students who are pursuing project management in their education.

Criteria Eligibility:

Below are the guidelines for consideration of eligibility for the scholarship:

1. Undergraduate and graduate level students must be studying a degree program in the field of project management OR in a field of study which uses project management
2. Students must be enrolled in 6 hours a semester
3. Students must live within 100 mile radius of downtown Houston
4. Student must be attending or intend to attend a Houston area college or university
5. Student must be a U.S. citizen or a Texas resident (lived in the State of Texas for 1 year)
6. Student has never been subject to any disciplinary action by the educational institution or law enforcement agency
7. Students must not currently receive scholarships which pays for 100% of tuition
8. Student has not received financial aid from the PMI Houston Chapter in the form of a scholarship within the last two years

Guidelines

1. Students must attend at least one PMI Houston monthly meeting after receiving scholarship
2. Students must write an essay on the five project management subjects listed in the application form
3. Students must be eager to use their project management skills to contribute to the community

The PMIHEF Scholarship Committee will not consider incomplete applications or contact a student regarding an incomplete or missing application items. A student will only be contacted by the PMIHEF Scholarship Committee if there are questions regarding the application or if the student is awarded a scholarship.

Intended university (High School Seniors only)	
Expected university start date? (High School Seniors only)	
Degree Program(s)	
What is your career goal?	
Expected graduation date?	

RESUME

The purpose of the scholarship is to recognize students from the Houston area, who are attending an area university or educational institution, while pursuing a degree in the project management field, and contributing to their school and community in the areas of leadership and service. The Scholarship Committee is looking for applicants that are well-rounded individuals who are able to manage their grades, their time, serve their school and community as well as demonstrate leadership skills in these areas. Please include the following information in your resume:

- Extracurricular school activities - member, officer, or leader in school activity, club or sport.
- Extracurricular non-school activities – member, officer, or leader in professional organizations such as PMI, philanthropic groups, religious groups or community service.
- Indicate an estimate of the number of volunteer/service hours you have provided in any of the above listed organizations.
- Honors, awards, talents, special achievements received in the last four years for school and community service.
- Employment, internships, summer activities with specific role or job title and relevant dates.

Essay

The Award Committee is interested in the quality of your writing, as well as the quality of your thinking. Include your name at the top of the essay page. The essay should be included as part of the entire application packet.

Prepare a one page (double-spaced, 450 words maximum) word document response to one of the following questions/topics:

1. Of the five process groups in Project Management (Initiation, Planning, Executing, Monitoring and Controlling and Closing), which one do you benefit from or enjoy the most and why?
2. Describe a time when you have been involved in a project and the role you played.
3. Why do you want to be a Project Manager?
4. Of the triple constraints (time, cost and scope) which one do you concentrate the most on and why?
5. What skill or skills are important to lead a project?

Scholarship Agreement

Project Management Institute Houston Education Foundation will notify winners of their selection via phone or email. Acceptance of the scholarship is contingent upon the following items:

- If awarded a scholarship, the recipients must agree to provide to the Scholarship Committee a written report on their academic progress at the end of the semester after receiving the scholarship.
- The scholarship recipients are expected to attend at least one event held by the **Project Management Institute Houston Chapter** during the school year, over school breaks or during the summer.

Contact Information

Completed applications and recommendations can be submitted online or submitted to the address below.
