Random Act of Chocolate

Have you seen one of your colleagues doing something extraordinary? Here is your chance to help us recognize this person for going beyond the expected. It doesn't have to be a “big” thing. We all know it is the little gestures that make Sam Houston State the place we want to work.

Complete a form at the PACE Center or call PACE to have a form completed and we will deliver a "random act of chocolate" bar to your nominee. We know you would like to nominate several people, but we ask that you complete only one form. All employees are eligible. Please have all forms completed and submitted by February 16, 2016.
