

Counseling Services

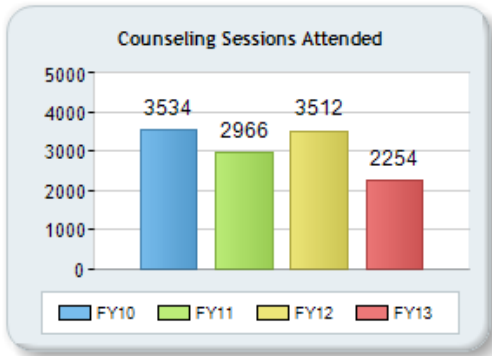

Description

Total number of unique clients utilizing individual, couple, and group therapy.

Notes:

1) During March '11, two psychologists were on maternity leave and one psychologist position was empty due to an emergency resignation. As a result, the total number of available appointment slots was decreased by between 1/2 and 1/3, which in turn impacted the number of students who were able to be seen.

2) During FY13, two psychologist positions were empty due to a dual resignation. As a result, the total number of available appointment slots was decreased, which has an impact on the total number of students who are able to be seen.
