Enrique’s Journey Publisher Summary www.enriquesjourney.com
"Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: 'This is a twenty-first-century Odyssey.' Now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview and more, this is a classic of contemporary America."
