Dear Ms. Harper:

Enclosed are the results of the plan review(s) completed on the referenced facility. Identified on the report are areas of nonconformance with accessibility standards adopted by the Texas Department of Licensing (TDLR) for purposes of ensuring compliance with the Elimination of Architectural Barriers Act, Texas Government Code, Chapter 469.

Although deficiencies have been noted, the referenced project may be eligible for inspection approval if constructed in accordance with the Texas Accessibility Standards (TAS). Items that are the responsibility of the owner should be referred to the appropriate person for action.

The building or facility owner must request an inspection from the Department or a Registered Accessibility Specialist (RAS) no later than 30 days after the completion of construction. If the completion date provided on the Architectural Barriers Project Registration Form is no longer correct, notify this office (in writing) of the revised completion date, as soon as possible.

This determination does not address the applicability of the Americans with Disabilities Act (ADA), (P.L. 101-336), or any other state, local, or federal requirement. For information on the ADA, call the ADA Hotline, (800) 949-4232 or the United States Department of Justice at (202) 514-0301.

Please reference the Department assigned project number in all future correspondence pertaining to this project. Questions concerning this matter should be directed to Linda Eilar at 713-864-8494.
