EXPECTATIONS:

• Student will arrive on time each session unless professional or personal emergencies arise. Therefore, it is not necessary to call and explain that you will be late.
• Students will participate in online classes.
• Students will assume responsibility for their own success in this class, not only in class discussions and in presentations for each class, but also as they participate in a team arrangement to learn what they missed when late or unavoidably absent.
• No make-up assignments will be given; points will be deducted from participation grade and/or assignments turned in late.
• All exercises will be completed in a timely manner, which is necessary for meaningful participation and contribution in class.
• Late assignments will result in a lower participation grade for that assignment since the course syllabus is designed to provide time to share and analyze research assignments.
This class will require students to meet outside class, develop mini-presentations over assigned topics, to engage in lessons on-line, to conduct field research on topics and to read outside the textbooks and educational field in leadership development.

Students will develop a course portfolio.

**COURSE REQUIREMENTS:**

**PARTICIPATION:** Attendance is required in all on-line class sessions. Participation in all discussions, activities, and assignments is expected. (Tx. Principal Standards: 6.1-6.5; NCATE standards: N: 1.1-1.8; 2.1-2.3, 3/1-3.3, 4.1-4.4)

**WRITTEN WORK:** Written assignments will be based on the readings and the student’s own experiences. All written assignments must be written at the graduate level and follow APA format as indicated in the SHSU Education Leadership and Counseling Department Writing Standards. (Tx. Principal Standards: 6.1-6.5; NCATE standards: N: 1.1-1.8; 2.1-2.3, 3/1-3.3, 4.1-4.4)

**Criteria for Evaluation and Determination of Grade**

1. **Attendance** will be taken during each session. Absences not only effect large and small group participation, but essential material, daily presentations, and learning experiences are missed which cannot be duplicated. Because of the participatory nature of the class, even excused absences will result in point deductions in participation.

2. **Participation** in class activities will be observed. Attendance affects participation. Because this is a graduate course, part of high quality participation is volunteering and leadership that is insightful and well thought out. (This includes large and small CLG discussions, written reflections on topics, and other research/field components.)

The professor reserves the right to alter course requirements and/or the class schedule to better address the learning needs of the students.
