Make-up Examinations
All requests for make-up examinations must be documented and made in advance. All make-up examinations are in the form of mandatory essays.
**Academic Honesty**
The Faculty of the College of Criminal Justice expects students to conduct their academic work with integrity and honesty. Acts of academic dishonesty will not be tolerated and can result in the failure of a course and dismissal from the University.

Academic dishonesty includes, but is not limited to, cheating on a test, plagiarism, collusion, the unauthorized collaboration with another person in preparing work offered for credit, the abuse of resource materials, and misrepresentation of credentials or accomplishments as a member of the college.

The University's policy on academic honesty and appeal procedures can be found in the manual, entitled, *Student Guidelines*, distributed by the Division of Student Services (Reference Section 5.3 of the guidelines—my translation of the material: you cheat, you flunk).

**Attendance**
Random checks at the discretion of the professor.

**Disabled Student Policy**
Students with a disability which affects their academic performance are expected to arrange for a conference with the instructor in order that appropriate strategies can be considered to ensure that participation and achievement opportunities are not impaired. The physically impaired may contact the Director of the Counseling Center as chair of the Committee for Continuing Assistance for Disabled Students by telephone (ext. 4-1720).

**Student Absences on Religious Holy Days**
Consistent with the Texas Education Code and SHSU University Policy 861001, students who desire to be absent from a scheduled class in order to observe a religious holy day shall present the professor with a written statement concerning the religious holy day(s). I will then notify the students of a reasonable time frame in which the missed assignments are to be completed.

**Tobacco Products**
There will be no use of tobacco products allowed in the classroom at any time. Violators of this policy will be warned one time; the second instance of use will result in dismissal from the class.

**Electronic Devices in the Classroom**
Students are free to record class lectures and/or discussions with the understanding that no copies of these lectures and/or transcripts made from these recordings are sold or otherwise distributed for use by others. Please make sure to set any electronic communication devices to "silent mode" during class sessions.
