*CELL PHONES & PAGERS
Please refer to Section 5.2.22 of the Code of Conduct.

GENERAL STUDENT RESPONSIBILITIES
YOU ARE RESPONSIBLE FOR ALL MATERIAL, in books, presented in class, etc., whether you are listening or not. YOU ARE PERSONALLY & SOLELY RESPONSIBLE FOR YOUR ACTIVITIES (ASKING QUESTIONS OR DOING HOMEWORK) IN ORDER TO MEET YOUR PERSONAL EXPECTATIONS AND DESIRE FOR SUCCESS/GRADE. Probable daily time needed for homework outside class will be a minimum of one to two hours per hour spent in class (3-6 hours per week). "Homework" is largely left to your discretion--you must assess how well you understand and how much practice, reading or written work outside of class you need. You are responsible for anything and everything in the syllabus, book or said in class. You are expected to highlight reading and take notes in class. You are expected to keep in contact with the professor and other students as personally needed.

ATTENDANCE POLICY
ATTENDANCE IS REQUIRED for every SINGLE class meeting. If you are absent without making arrangements, with justification, before or during with the professor, your grade will be lowered at least 10% per occurrence. In case of serious illness or death in the family, advance or concurrent notice of your absence is required. Call or email and leave a message and, if possible, send your corresponding assignment with another student. Also, it is wise to notify your Dean of Students John Yarabeck, 936-294-1783 and submit proof. He will in turn notify all of your teachers.

NO LATE ASSIGNMENTS OR EXAMS WITHOUT WRITTEN EXCUSE (DOCTOR, HOUSEMOTHER, MORTICIAN, ETC.) AND USUALLY MUST BE MADE UP AS SOON AS POSSIBLE AFTER ABSENCE.

REQUIRED SUPPLIES
-something with pockets for class materials (handouts, notes, etc.) with lined notebook paper for your own use plus journal entries
-pencil or pen for taking notes in class
-personal skills and attitudes: enthusiasm and interest; listening skills, willingness to speak and open-mindedness; time every day outside of class for reading and reflection, awareness that this class is an academic experience which requires intellectual efforts and results

OPTIONAL TEXTS, REFERENCES OR SUPPLIES
-one three-ring notebook binder
-colored highlighters for marking passages

PRESENCE & PARTICIPATION IN CLASS: Be present in class, having previously prepared each assignment on the schedule portion of the syllabus before coming to the class when that assignment will be discussed. You may study the assignments as much as you wish or have time for, incidentally. Suggestions: Reflect afterwards and make notes of questions/observations.

QUIZZES: Very frequent short quizzes will be given in classes, either at the beginning or the end of class. This is with the goal of monitoring your learning to detect where more work needs to be done. Not all will be announced, but I usually do announce them.

HOMEWORK may include
Workbook and lab- QUIA contains the electronic workbook as well as laboratory exercises. You are expected to keep up with the QUIA exercises of both types that pertain to the concepts as we are covering them in the classroom. Worksheets: Perform activity, either on own or in group, fill out sheet, turn in on due date. It is important to do the assignment as soon as possible after class, while your memory is fresh. This will allow you to be ready with questions to clarify any doubts so I can explain the material in a different way if necessary. Copying from a classmate at the last moment before the assignment is due will not enhance your learning.
Other unspecified assignments.
You may work together or alone on homework, but DO NOT COPY.

EXAMS An exam covers each chapter and there is a comprehensive final exam. I will give you a study guide a week ahead of each exam.

ORAL EXAM This will be an oral interview that will include material that we have practiced over the semester. I take into consideration a number of factors, such as fluidity, accuracy and comprehensibility. I will show you a more detailed chart that explains the criteria in more detail. I will also give you a study guide for this interview.
Please check the Blackboard course site frequently to look for any announcements or assignments that I have posted. Also check your grades: I will post your grades as the semester goes along, so please check for accuracy.
