C. COURSE RATIONALE

The purpose of this course is consistent with the mission of Sam Houston State University, the College of Education and Applied Science and the Educational Leadership Program.

1. Sam Houston State University Mission: "...enable its students to become informed, thoughtful and productive citizens."
2. College of Education and Applied Science Mission: "...provides students with opportunities to develop knowledge, skills, strategies, and experiences which allow them to serve in diverse roles and function productively in society."
3. Educational Leadership Program Mission: "To prepare educational leaders for real world challenges and opportunities."

D. TEXTS

E. COURSE KNOWLEDGE AND SKILLS OBJECTIVES

The Educational Leadership Program at Sam Houston State University is accredited by the Texas State Board of Educator Certification (SBEC) and the National Council for the Accreditation of Teacher Education (NCATE). While completing an approved preparation program, all candidates for the school principal certificate in Texas must demonstrate general knowledge and skill competency related to the seven proficiency areas for principals established by the SBEC. Also, all candidates must demonstrate performance in the twelve program standard areas for educational leadership programs established through NCATE.
F. OBJECTIVES USED TO EVALUATE COURSE EFFECTIVENESS

The following objectives will be used by the students to evaluate the effectiveness of this course. It is important to know these objectives as we begin the course so that formative evaluation can occur throughout the course of study.

**Essential Objectives:**
1. Gaining factual knowledge (terminology, classification, methods, and trends). Focus is building a knowledge base.
2. Learning fundamental principles, generalizations, or theories. Focus is to connect facts and understand relationships.
3. Learning to apply course material (to improve thinking, problem-solving, and decisions). Focus is on applying what you have learned in this class to clarify thinking or solve problems.

**Important Objectives:**
1. Learning to analyze and critically evaluate ideas, arguments, and points of view. Focus is on higher level thinking skills.

G. LEARNER OUTCOMES

**Knowledge and Skills for the Principalship (SBEC) Addressed in ASE 532**

**OBJECTIVE 1: Learner-Centered Values And Ethics In Leadership**

A principal is an educational leader who promotes the success of all students by acting with integrity and fairness, and in an ethical manner. At the campus level a principal understands, values and is able to:

**Administrative Duties:**
1. Model and promote the highest standard of conduct, ethical principles, and integrity in decision-making, actions, and behaviors.
2. Implement polices and procedures that encourage all campus personnel to comply with Chapter 247 of the Texas Administrative Code, relating to the Code of Ethics and Standards Practices of Texas Educators.

**OBJECTIVE 2: Learner-Centered Leadership And Campus Culture**

A principal is an educational leader who promotes the success of all students and shapes campus culture by facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by the school community. At the campus level, a principal understands, values, and is able to:

**Administrative Duties:**
5. Utilize emerging issues, trends, demographic data, knowledge of systems, campus climate inventories, student learning data, and other information to develop a campus vision and plan to implement the vision.

**OBJECTIVE 5: Learner-Centered Organizational Leadership And Management**

A principal is an educational leader who promotes success of all students through leadership and management of the organization, operations, and resources for a safe, efficient, and effective learning environment. At the campus level, a principal understands, values and is able to:
Administrative Duties:

1. Implement appropriate management techniques and group processes to define roles, assign functions, delegate authority, and determine accountability for campus goal attainment.
2. Gather and organize information from a variety of sources for use in creative and effective campus decision-making.
6. Apply local, state, and federal laws and policies to support sound decisions while considering implications related to all school operations and programs.
7. Acquire, allocate, and manage human, material, and financial resources according to district policies and campus priorities.

OBJECTIVE 7: Learner-Centered Instructional Leadership and Management

A principal is an educational leader who promotes the success of all students by advocating, nurturing, and sustaining a campus culture and instructional program conducive to student learning and staff professional growth. At the campus level, a principal understands values and is able to:

Administrative Duties:

1. Facilitate the development of a campus learning organization that supports instructional improvement and change through an on-going study of relevant research and best practice.

Topics L-Q will further be measured by an examination and a group research project.

J. ACADEMIC PORTFOLIO

As a part of the principal program each student will develop an academic portfolio. Portfolio development begins in ASE 532.

The student will assess his/her knowledge and skills as he/she begins the program (Pre-Assessment Instrument). Further the student will write a reflections paper to describe why he/she believes he/she is functioning at the self-perceived levels. These artifacts will be incorporated in the portfolio.

K. LEARNING ACTIVITIES

I. Papers or reports will be submitted on three different topics as specified in the course outline.

II. Attendance and discussion will be an important aspect of the course.

III. Three examinations will be given as scheduled in the course outline. All exams will be project oriented with individual and group participation.

IV. Group research projects will be required on pertinent topics related to school administration.

L. STUDENT CODE OF CONDUCT

Graduate students are governed by the Sam Houston State University student code of conduct. Any student with questions about grievances, ethical behavior, etc. should review the Graduate Catalogue and Student Code Of Conduct. Particular attention should be paid to the sections on plagiarism and theft or mutilation of library materials.
Students should practice self-discipline in classes. Courtesy should be extended to all graduate students. Thought should be given to the value of all conversation in class. Classes will be more enjoyable and beneficial to all involved when graduate students conduct themselves as conscientious professionals.

Students with a disability, which affects their academic performance, are expected to arrange for a conference with the instructor in order that appropriate strategies can be considered to ensure that participation and achievement opportunities are not impaired. The physically impaired may contact the Director of the Counseling Center as chair of the committee for Continuing Assistance for Disabled Students by telephone (extension 1720).

M. GRADE:

The grade for the course will be based upon the following distribution of points:
1. Two papers 30 points (each paper = 15 points)
   (1/2 of points for content of paper, 1/2 of points for delivery of paper)
2. Examinations (3) 150 points (each exam = 50 points)
3. Group Research Projects 30 points
3. Attendance and participation 30 points
   (To earn participation points, a student must be actively participating in group collaboration, discussions, and other formats required in the course. The time you spend online in discussion board and virtual collaboration will count toward your participation grade).
4. Field Work 45 points (each reflection = 9 points)
   (Includes reflections, resume and goals)

The letter grades will be based on total points earned by the student.
257-285 points A
228-256 points B
200-227 points C

NOTE: Papers are due on the date printed in the course outline unless otherwise notified. If you are resubmitting a paper for reconsideration, it must be submitted on or before the next class period after the paper was originally returned, unless prior arrangements are made with the professor.
