All teacher candidates are expected to demonstrate professional behavior in the classroom as well as during field experience observations, as described on the LLSP website. See http://www.shsu.edu/~edu_lls/classexpectations.htm for specific guidelines.

Course Format
The format will include lecture or narrative presentations, small group and whole class discussions, small group and individual presentations and activities, and 10 hours of field experience in child care facilities. Students should check the SHSU Blackboard daily for information regarding assignments, class meetings, etc. Always start with “Announcements” on Blackboard.

Course Content:
Upon completion of this course, the candidate will be able to identify/describe/explain:
1. critical issues in the study of child development;
2. development of young children (birth through age 8) in all domains (cognitive/language, physical, social/emotional);
3. major theories of child development; and
4. conditions and characteristics influencing child development in all domains.

Attendance Policy:
Students may not miss more than three hours of absence during the semester. 10 points will be deducted for each hour of absence beyond the 3 hours. Class sessions are important to your understanding of the material. If you miss any class, it is your responsibility to obtain the needed handouts, information, and materials. Two tardies to class is the equivalent of one hour of absence. It is your responsibility to sign the roll sheet during each class period. Failure to sign roll sheet will count as an absence.

Blackboard.com Information:
All assignments, grading rubrics, announcements, quizzes, discussion material, and group participation information will be posted on Blackboard. It is your responsibility to access the class Blackboard site frequently. Email and group postings can be accessed through the Blackboard site.

Course Requirements/Grading Procedures
There are 500 possible points for satisfactory completion of course assignments. Grades will be assigned according to this scale:

Assignments:
Assignments are expected to be turned in at the beginning of the class session. Late assignments will result in point deductions. All written work is expected to be neat, professional and typed. All grading criteria will be given when the assignment is introduced.

Professionalism/Class Participation (30 points)
Students are expected to behave in a courteous, professional manner in class. Cell phones must be turned off and put away. Participation in discussion groups and individual activities each class period is expected, and will be considered part of the assessment grade for assignments in the course. Student must check BLACKBOARD daily and respond to announcements, posts, etc. as needed. Points may be deducted for unprofessional behavior. Read, Review, Print and Understand the information on professional behavior. [http://www.shsu.edu/~7Eedu_1ls/classexpectations.htm](http://www.shsu.edu/~7Eedu_1ls/classexpectations.htm)

Reflections and Quizzes (40 points)
Throughout the class there will be in class reflection assignments and quizzes over textbook material and classroom discussions.

Exams (100 points)
There will be 2 exams a mid term and a final. Each exam is worth 50 Points.

Assignment A: Class Binder, Journal Reflections, Downloads, Handouts, etc. (20 points – 10 points first submission, 10 points final submission)
Each student will prepare a 1” binder and will collect/organize all course materials in the binder (i.e., syllabus, Policy downloads (6), theory presentation handouts, theory summary paper, study questions, exams, journal reflections, etc.).

Assignment B: Developmental Theory Presentations (50 points – 30 individual paper and 20 group presentation)
Each student will research a child development theory/theorist and prepare a summary paper (2-3 pages, plus a reference page) of findings that includes: (1) an in-depth description of the theory; (2) biographical information about the main theorist(s); and (3) the theory’s impact/importance to early childhood educators. Students will then collaborate with other students who researched the same theory/theorist to prepare a brief (10-15 minute) PowerPoint presentation for the class. Handouts must be provided. Two sources must be from journals, books, etc and two may be from the Internet. References must be cited in APA format.

Assignment C: Field Experience/Observations (50 points)
Each student is required to observe young children within one or more Child Care environments. Ten (10) contact hours must be completed to meet the requirements of this course. Students must observe a child or children in 5 of the 6 age groupings listed. (0-8 months, 8-18 months, 12-24 months, 24-36 months, 2-3 years, 3-4 years, 4-5 years.) Specific requirements for this assignment will be provided in class. During the field experience all students are to be professional in their behavior, attire, and communication. All documentation forms, notes, summaries, and reflections will be placed in the Child Development Portfolio

You must apply to the Educator Preparation Program before participating in field experiences. All students enrolled in education courses with a field experience component in the public schools are required to APPLY at the beginning of the semester to the Educator Preparation Program before beginning their first field experience. This application is now available on-line. Submit completed application to the Associate dean’s office with a check for $75.00 made out to SHCPDEP (Sam Houston Center for Professional Development and Educational Partnerships), with a criminal history background
check release, unofficial transcript, and unofficial degree plan attached. Failure to do so will result in students not receiving credit for the course and not being allowed to complete their field experience. Compliance with this policy assures our partnership schools that criminal history background checks are initiated for all students participating in field experience in the public schools. (SHCPDEP Board Meeting, March 2003)
