COURSE REQUIREMENTS
Students are evaluated on the generation of topical images and an artist’s journal
documenting each project (including tear sheets, sketches, notes and ideas), and a printed
final portfolio book.

Grading:
- Images & Artist’s Journal ...................................... 700 points maximum
- Final Printed Book/Portfolio ................................. 300 points maximum

Grading Plan
Each of the topical assignments will be assigned points as above. The final Image Portfolio will
be worth 300 points. The total possible for the course is 1000 points. Ultimately, letter grades
must be assigned to course work. Under the definitions established by Sam Houston State
University, students who receive the following letter grades are considered to have reached the
level of attainment defining that letter. Thus, letter grades may be interpreted this way:
A= Excellent
B= Well above average
C= Average
D= Barely passing
F= Failure

   and the last day for resignations without receiving WP or WF marks.

Attendance
In accordance with University Policy, regular attendance is required and expected and will be
necessary for successful completion of the course, however no points will be awarded or
subtracted from your total based upon your attendance.
**Academic Honesty**
Ethics are the cornerstone of responsible communication. Honesty is expected—and demanded—of all students. Violations of professional ethical standards can lead to an automatic "F" in the course. The work you submit must be your own, generated by you alone (or together with your group when allowed), and it must be completed during this semester.

**Classroom Demeanor**
Students will refrain from behavior in the classroom that intentionally or unintentionally disrupts the learning process and, thus, impedes the mission of the university. Please turn off or mute your cellular phone and/or pager before class begins. Students are prohibited from eating or drinking in the studios and using tobacco products anywhere in the building. Any weapons, foods, anything involving fire, naked or nude human beings, or anything out of the ordinary being brought into the studio must have instructor approval beforehand. Inappropriate behavior in the studios shall result, minimally, in a directive to leave class or being reported to the Dean of Students for disciplinary action in accordance with university policy. Use common sense and make sure I know what you are doing before you do it.

**VISITORS IN THE CLASSROOM**
Unannounced visitors to class must present a current, official SHSU identification card in order to be permitted in the classroom. They must not present a disruption to the class by their attendance. If the visitor is not a registered student, it is at the instructor’s discretion whether or not the visitor will be allowed to remain in the classroom.

**AMERICANS WITH DISABILITIES ACT**
It is the policy of Sam Houston State University that no otherwise qualified disabled individual shall, solely by reason of his/her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any academic or Student Life program or activity. Disabled students may request assistance with academically related problems stemming from individual disabilities by contacting the Director of the Counseling Center in the Lee Drain Annex or by calling (936) 294-1720.

**RELIGIOUS HOLIDAYS**
Any student who wishes to be excused for a religious holy day must present to me a written statement describing the holy day(s) and the travel involved. We will then talk about the missed days and how you can make up the work in a timely way.

**THE BFA REVIEW**
Immediately after completing the six foundation art classes: Art 161, Art 163, Art 164, Art 265, Art 271, and Art 260 all BA art students will meet with an Art Advisor and sign up for the BFA Review. Students who do not sign up for the Review will be blocked from registering for upper division art classes.

Students interested in pursuing a BFA in Art will be required to participate in the BFA Review process. Those who choose to continue on the BA path should be reminded that the BA degree requires 4 semesters of a foreign language.

Reviews are conducted each semester by the Art Department faculty. Students who pass the BFA review will be invited into the BFA Program. Students who do not pass the Review will
be given feedback on areas that need improvement. Those students will be directed to either reapply for a second review or remain in the BA program. Students are limited to two BFA applications. Those requesting a second review are advised to consult with faculty in their area of intended concentration concerning their progress and course of action.
