Student Syllabus Guidelines: You may find online a more detailed description of the following policies. These guidelines will also provide you with a link to the specific university policy or procedure: http://www.shsu.edu/syllabus/

Academic Dishonesty: Students are expected to maintain honesty and integrity in the academic experiences both in and out of the classroom. See Student Syllabus Guidelines.

Student Absences on Religious Holy Days: Students are allowed to miss class and other required activities, including examinations, for the observance of a religious holy day, including travel for that purpose. Students remain responsible for all work. See Student Syllabus Guidelines.

Students with Disabilities Policy: It is the policy of Sam Houston State University that individuals otherwise qualified shall not be excluded, solely by reason of their disability, from participation in any academic program of the university. Further, they shall not be denied the benefits of these programs nor shall they be subjected to discrimination. Students with disabilities that might affect their academic performance should visit with the Office of Services for Students with Disabilities located in the Counseling Center. See Student Syllabus Guidelines.

COUNSELING PROGRAM ATTENDANCE POLICY
The following represents the attendance policy for all courses in the Counseling Program:
1. Students are permitted to miss one class (3 Hours) with no penalty, but a call to the professor of the class is expected.
2. With a second absence, a drop of one letter grade will occur unless the student writes a letter to the Counseling Faculty explaining the extenuating circumstances for both of the absences. The Faculty will then discuss the letter in a meeting and decide if the letter grade drop will occur or if the student is excused from that action.
3. A drop of a letter grade will occur for each subsequent absence.

For purposes of this on-line class, failure to participate in a weekly discussion board or chat room will constitute an absence and will result in the loss of participation points for that week. Failure to participate for two different weeks will result in the loss of a letter grade.
Course Format:
This is a course that will survey and sample the various issues related to counseling under represented members of the population. It will also assist to identify and address personal points regarding the counseling relationship with various members of society. The course will consist of various reading materials, students’ participation in online group discussions, reflections, assessments, interviews, research of recent literature and other activities that may stimulate the growth and knowledge of ethnic/cultural studies.

On-line Participation Policy:
1. Use of good “Netiquette” is essential in an online environment. Please observe the following rules of common courtesy:
   a) Check the course website frequently and respond appropriately and on the subject.
   b) Focus on one subject per message or use pertinent subject titles.
   c) Capitalize words only to highlight an important point or for titles. Capitalizing otherwise is generally interpreted as SHOUTING.
   d) Be professional and careful with your online interactions. Remember that you should be comfortable with your statements if they were published on the front page of the local newspaper.
   e) Cite all quotes, references and sources.
   f) Never forward someone else’s messages without their permission, this is considered to be extremely rude.
   g) Use humor with care. The absence of face-to-face cues and body language can lead to misunderstandings. Feel free to use emoticons such as :) or ;) to communicate that you are being humorous.
   h) All postings should be of top quality, on time, and rich in text. This means no comments such as “at a boy”, “you go girl”, “I agree with that”, “couldn’t have said it better myself”, etc. will be considered master degree quality responses. Make sure to take the time to add richness to the discussion and make connections to the many theories in counseling, diversity and leadership that will be covered in this course. Remember, postings are tracked for quantity, quality, and punctuality of deadlines set forth.

(The above “Netiquette” guidelines were adapted from Rinaldi, A. (1994) The Net User Guidelines and Netiquette, Florida Atlantic University, available from Netcom.)

2. Students are expected to submit all assignments by electronic mail by the date indicated in the course syllabus. Assignments should be sent as attachments and saved in Rich Text Format.
3. Students are expected to log in regularly during the week and are expected to post a substantive contribution to the discussion at those times. Participation in the online discussions is required to pass this class. Those sessions substitute for class sessions on campus, so students should plan to spend about three hours each week participating online. Blackboard course statistics will be used to monitor student activity on the course website and grade points will be assessed on consistent postings and the overall quality of their content.
Graduate students are governed by the Sam Houston State University student code of conduct. Any student with questions about grievances, ethical behavior, etc. should review the Graduate Catalogue and student code of conduct. Particular attention should be paid to the sections on plagiarism and theft of library materials. Academic honesty is expected.

Students are expected to submit all assignments by electronic mail by the date indicated in this syllabus. Assignments should be sent as attachments and saved in Rich Text Format. Late work will not be accepted or awarded credit. There will be no make-up work.

Acts of cheating and plagiarism are not tolerated in the Counseling program. These offenses could result in failure of a course and/or dismissal from the program.

Multicultural Learning Experience

Each Student will complete a Multicultural Learning Experience. A MLE is an activity designed to help students gain cultural knowledge, increase sensitivity to culturally diverse people, and become more culturally effective helpers. The purpose of the activity is through service learning to gain new and direct knowledge of a cultural with which you have little or no experience with. After the MLE experience, students will write a 5 page reaction paper.

Follow APA style for the creation of headings in your paper. Headings should refer to the following topics:

A. Reasons for selecting the experience and how you see the experience will contribute to your particular multicultural learning needs.

B. Description of the experience. How were you impacted by the interview, observations, and interactions at the volunteer site?

C. What was learned about the cultural group involved (aspects of values, worldview, or communication style of this group; particular issues often common among this group; impact of sociopolitical history upon this group, effects of cultural and environmental factors on school performance, work, etc.)

D. Feelings/Reactions to the experience, including what these thoughts and feelings imply about you (e.g. your identity level, prejudices/stereotypes, knowledge or lack of knowledge about this group, etc.)

E. The value of the experience for counselors-what did you learn that counselors should be aware of in working with clients from this group, how should practice be adapted, etc.

I will particularly be looking for how you are integrating the concepts you have learned from class discussions, readings, and instruction with this hand on experience.

**Level 1: Experiential Learning:** Involves contact with a culturally different community based agency. Interview the agency director or other designated individual about the purpose of the agency and concerns of the population served. For example, visit a Native American Tribal Council and interview the director about programming for both children and adults, interview the president of a culturally diverse organization (Black Student Union, International Students Organization, Hispanic/Latino Center, etc.), interview the director of a program designed to help people who are Lesbian or Gay males, or the leader of a religious group (Jewish, Muslim, etc.), volunteer at an agency that provides services to individuals and families with disabilities. Additionally, students will provide four
hours of volunteer service to the chosen group. The volunteer service must take place over two different days. Students will also conduct the interview and either observe the activities at the agency and/or attend an appropriate orientation. This portion of the project should be approximately two hours. The total service for this project is six hours.

The chosen site must not be connected with your work or be a place that you currently volunteer or have volunteered in the past. Students must work on this project independently and not with other students. The chosen site must demonstrate a cultural difference from you as articulated in this course and should put you outside of your normal comfort zone.

The chosen site cannot be one of the sites used for your community interviews.

Volunteer duties must involve direct interaction with the population served and cannot be clerical in nature.

The chosen activity must be approved by the instructor prior to completing the MLE using the form found on the next page.

Grading:
- Following Instructions: 10 points
- Following APA guidelines: 10 points
- Grammar: 10 points
- Content: 70 points
