This book will definitely help you with your sewing techniques, which are part of your grade.

Homework – The only homework required is for you to go over your notes prior to a test.

Attendance - Everyone will be assigned to one or more days of the week. On this scheduled day(s) you are expected to work in the costume shop for a minimum of three hours and a maximum of 4 hours between the hours of 2 pm and 6 p.m. Note: There are approximately twelve weeks of work available. If you only work your one day a week, for two hours you will only have 36 hours completed, this is not enough hours to pass. To pass you would need to work a total of 51 hours, combining your days on crew each week, plus one or more of the outside crews. In addition to your regular work days.
you will be expected to work various mandatory work days throughout the year including strike for all shows. You will be notified by a notice on the board, when and where these are.

You are allowed three absences. If you are absent more than three times it will lower your grade as follows:

You may be excused from strike for any of the following reasons. However, you must bring proof at your next class day.

**Excused:**

- Had to work

**Proof Required:**

- Note from work with phone # for verification
- Doctor’s note with phone# for verification

**TASK ASSIGNMENT**

For each show you will be required to request to be put onto one of the crews. The crews are Stitchers or Dressers. I will then assign you to a crew for each show. You will not be on the same crew for each show. This schedule will be posted on the crew bulletin board across from the call board and on the bulletin board outside the classroom door. Please check this schedule as you may not be assigned to your first choice of crews due to the number of students requesting that crew.

**Stitchers:** If you choose Stitchers: Two weeks before every dress rehearsal in the semester a group of crew members will be assigned to work three hours between the hours of 2:00 p.m. and 7:00 p.m. Monday through Friday (10 days). This will be in addition to your normal crew hours. They will each be assigned a project or group of projects to be accomplished by the Friday before first dress. If you are behind on the tasks set you may be asked to work additional hours to complete the task.
**Dressers:** If you choose dressers; You will be called for 2-3 days prior to running the show so that you can label costumes and familiarize yourself with the costumes for that show. Your responsibilities include being in the dressing room before and after actors are called and the last actor leaves during dress rehearsals and performances, helping actors dress, making sure all costume pieces are in their proper place after each rehearsal/ performance doing all laundry and repair of garments. Help the actors with hair and make up, if necessary. You will work directly under the Wardrobe Supervisor, which will be a member of our payroll, in most cases. There are no excused absences during production. You must be there each night from dress rehearsal through the end of the show. If you are assigned to laundry you may have to come in the following morning briefly to do laundry.

**Exams – There will be several pass/fail quizzes given over the semester. You must pass these tests to pass the class.** The quizzes will cover information that you are given during class periods. If you miss a class get the information from another student, or let a payroll person know that you missed this information and arrange for a makeup day.

**Grading Plan -**  
To Receive an A: Do the following:
