All students are expected to engage in all academic pursuits in a manner that is above reproach. Students are expected to maintain complete honesty and integrity in the academic experiences both in and out of the classroom. Any student found guilty of dishonesty in any phase of academic work will be subject to disciplinary action. The University and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including, but not limited to, cheating on an examination or other academic work which is to be submitted, plagiarism, collusion and the abuse of resource materials.

CLASSROOM RULES OF CONDUCT: According to Section 5 of the Student Handbook:

Students will refrain from behavior in the classroom that intentionally or unintentionally disrupts the learning process and, thus, impedes the mission of the university. Cellular telephones and pagers must be turned
off before class begins. Students are prohibited from eating in class, using
tobacco products, making offensive remarks, reading newspapers,
sleeping, talking at inappropriate times, wearing inappropriate clothing,
or engaging in any other form of distraction. Inappropriate behavior in
the classroom shall result in a directive to leave class. Students who are
especially disruptive also may be reported to the Dean of Students for
disciplinary action in accordance with university policy.

VISITORS IN THE CLASSROOM: According to the Faculty Handbook:
Unannounced visitors to class must present a current, official SHSU
identification card to be permitted in the classroom. They must not
present a disruption to the class by their attendance. If the visitor is not a
registered student, it is at the instructor’s discretion whether or not the
visitor will be allowed to remain in the classroom.

STUDENTS WITH DISABILITIES:
Students with a disability which affects performance are expected to arrange for a
conference with the instructor in order that appropriate strategies can be considered to
ensure that participation and achievement opportunities are not impaired. The
physically impaired may contact the Director of the Counseling Center who also serves
as chair of the Committee for Continuing Assistance for Disabled Students by telephone
at (936)294-1720.

RELIGIOUS HOLIDAYS:
An institution of higher education shall excuse a student from attending classes or
other required activities, including examinations, for the observance of a religious holy

subsection may not be penalized for that absence and shall be allowed to take an
examination or complete an assignment from which the student is excused within a
reasonable time after the absence. A student who plans to miss a class or required
activity to observe a religious holy day should inform the professor in writing prior to the
planned absence.
