

### **Nursing Exemption (Preceptor or Child)**

This is a new exemption that covers up to \$500 of tuition only for approved clinical preceptors and their children. The student must fill out the application and then send it to the Business Office. Also, the student has to provide proof that they or their parent is a clinical preceptor along with the application. Once approved, an amount up to \$500 will be waived for the student's approved semester tuition.

#### **Requirements:**

- Only clinical preceptors and their children qualify
- Complete the Preceptor application
- Provide proof that the student or their parent is a clinical preceptor

#### **Covers:**

- Up to \$500 of tuition only (per semester)
