## Stripped\*

Stripped is based in part on Charlotte Perkins Gilman's classic Gothic short story, The Yellow Wallpaper, written in 1892. Gilman's original intention in writing this story was to protest the medical use of The Rest Cure, which she herself had endured. The Rest Cure, designed to treat anxiety disorders, called for confinement to a bed for a period of four to six weeks with no physical or mental activity.

Choreographer: Courtney Mulcahy
