

***The History Department at Sam Houston State University
proudly announces a Speakers Bureau Program***

The purpose of this program is to build strong relations between SHSU and other undergraduate institutions in this area. We hope that this program will serve your department and also assist us in recruiting students for our M.A. program. We offer our services free of charge. If you would like to arrange a speaker for an evening event or for one of your classes, give us a call at 936-294-1475 or email the department chair at his_tdb@shsu.edu.

To the right, you may find a list of speakers and titles of some prospective lectures. A vita for each speaker can be accessed via the departmental website.

Caroline Castillo Crimm

Mary Jon and J.P Bryan Texas History Teacher of the Year, 2003
Minnie Stevens Piper Foundation Professor of the Year, 2004

Participation of the listed speakers is voluntary. Their service is extended without cost. The content of each presentation represents the views of the speakers individually, and not necessarily those of the history department or Sam Houston State University.

Suggested Lectures

Rosanne Barker	“Founding Mothers: Women in the Era of the American Revolution”
Terry Bilhartz	“Sacred Words: An Introduction to the Great Religions of the World” “Twelve Days That Changed America”
