A Member of The Texas State University System

Office of Institutional Research

The Office of Institutional Research is an administrative service that is designed to serve as a support agency for the collection, analysis, and appraisal of the purposes, policies, procedures, and programs of the university. In doing so the office will supply information and conduct research studies that support planning and decision making, will comply with federal, state and other reporting mandates, and will satisfy the requirements of the regional accrediting agency. The office will provide technical support for the institutional effectiveness process so that results assist in the continuous improvement of the university. The office will also identify information sources and make
