- (1) Generally, use of the Lowman Student Center facilities is free to student organizations and university departments. However, applicable auxiliary charges or service fees will be assessed.
- (2) If a student organization or university department charges an admission fee, registration fee, or any other fee including receiving an offering resulting in income generation for the sponsoring organization or their guests, the room rental fee for Student Organization Fundraiser or University Department Fundraiser will apply.
- (3) Vendor tables are not allowed in Student Organization or University Department Programs where a room is provided free of charge.
- (4) Leaving a facility in an unusually unclean condition will result in a clean-up charge.
