Patrick Montesanto, CTS's Summary

I have 9+ years experience in the employment, recruitment & recruitment communications marketplace as well as 11+ years experience in new business development.

He currently serves as a Staffing Consultant with WhitakerIT where he works closely with both clients and candidates to bring IT Staff Augmentation & Search solutions to the table. Additionally I am also capable of providing clients with near-shore outsourcing solutions with dedicated teams in Costa Rica.

Patrick Montesanto, CTS's Specialties:

IT Staff Augmentation & Search, Near-shore outsourcing, recruitment & recruitment communications consulting, job search consulting, branding, public speaking

Patrick Montesanto, CTS's Experience

Staffing Consultant

WhitakerIT

(Privately Held; Information Technology and Services industry)

July 2007 — Present (2 years 5 months)

- I find IT professionals jobs that they love and bring my clients consultants that get the job done.
- I am always looking to network with highly skilled IT professionals as well as IT hiring managers on a national level.

Division Leader

Ajilon Finance

(Public Company; ADO; Information Technology and Services industry)

November 2006 — July 2007 (9 months)

- Worked directly with client Accounting Managers to find both direct-hire and contract accounting professionals.

Regional Manager

NAS Recruitment Communications

(Public Company; Marketing and Advertising industry)

September 2002 — November 2006 (4 years 3 months)

Oversaw the operations of the NAS/Houston office including management of staff, new business development and client relationship management.
Provided clients with Recruitment Communications consulting services to attract and recruit A-level talent to their organizations.

Account Executive

NAS Recruitment Communications

(Public Company; Marketing and Advertising industry)

October 2000 — September 2002 (2 years)

- Worked primarily in new business development as well as client relationship management with clients I acquired.
- Provided clients with Recruitment Communications consulting to attract and recruit A-level talent to their organizations.

Patrick Montesanto, CTS's Education
