Sam Houston Association of Computer Scientists Presents

THE
SECOND
ANNUAL
FUTURE
TECH
CONFERENCE
OVERVIEW:
Technology has changed the daily lives of people around the world and evolved into a culture all its own. The SHACS Future Tech conference brings together an interdisciplinary group of leading researchers, developers, practitioners, entertainers and educators interested in advancing their fields and the world around them through their unique applications of technology. Please join us April 10th – 11th at Sam Houston State University in historic Huntsville, Texas. Discover the technologies that will define and shape the future of things to come.

SAM HOUSTON STATE:
For more than 130 years, Sam Houston State University has been preparing students for meaningful lives of achievement. Its motto, “The Measure of a Life is its Service,” echoes across SHSU’s seven colleges and beyond its Texas campus through student research, creative endeavors, service learning, volunteering and more. Named for Sam Houston, Texas’ greatest hero, SHSU continually strives to honor its historical roots through academic excellence that includes exceptional teaching from faculty members who care as much about their students’ success as they do about furthering the knowledge of their fields.

ABOUT SHACS:
The Sam Houston Association of Computer Scientists is the official ACM chapter of Sam Houston State University. SHACS is a completely student lead organization that unites students, professors, and industry professionals to promote the sharing of knowledge, skills, and networks related to Computing Sciences field.

DATES TO REMEMBER

- Abstracts Due: February 28th 2015
- Full Papers Due: March 28th 2015
- Last Day of Registration: April 4th 2015
- Conference Dates: April 10th – 11th 2015
Details for Papers:

Colleagues from every sector are invited to submit papers and presentations under one of the three tracks listed on the left. These tracks are intentionally broad as to not over prejudice or discourage potential applicants. Our goal is to present state of the art innovative technologies, techniques, insights, and predictions of the leading technologists of today. Time allotted for each presentation will be approximately 25 minutes with some additional time for questions from the audience. Colleagues may submit no more than two presentations per each presenter. Accepted papers will be published in the conference proceedings.

Example of Potential Topics:

- Newest Gadgets
- Automotive
- Anti-Forensics
- Multimedia Technologies
- Embedded Systems
- Etc...

Abstract Submission Requirements

Please submit a one-page proposal containing:

(a) Name of presenter(s)
(b) Title of presentation
(c) E-mail address, Fax number, mailing address
(d) Institution name, department and country
(e) Presentation title and 100-200 word abstract.

Final Paper Formatting

All final papers must be camera ready for the conference proceedings in a .PDF ACM format. For more information on formatting and available templates please click on the link. http://www.acm.org/sigs/publications/proceedings-templates

All submissions must be uploaded to the official conference website: http://www.shacs.org/conf. For more information regarding the call for papers or general questions about the conference please contact Jared Dominguez: jcd031@shsu.edu.
