

Dear Scholarship Applicant,

My name is Vincent Ferrigno and I am the current President of the Rho Rho Chapter of Tau Kappa Epsilon Fraternity at Sam Houston State University. I would first like to congratulate you on acceptance and your choice to attend Sam Houston State University; it will soon become the best four years of your life.

The Rho Rho Chapter of Tau Kappa Epsilon is the leading social fraternity in the world and at SHSU. Established in 1987 on this campus TKE is distinguished by its commitment to academic excellence, athletic dominance, social prominence, and the lifelong friendships created between its members. Widely regarded as the Fraternity providing the best experience to its members, TKE is a prized addition to the SHSU community.

The Rho Rho Chapter of Tau Kappa Epsilon International Fraternity is pleased to announce its annual Triangle Achievement Scholarship. There will be **three \$500 scholarships** awarded to male high school graduates who will attend Sam Houston State University in the Fall Semester of 2003. The Triangle Achievement Scholarship candidates will be evaluated upon three criteria: academic success, athletic success and leadership in extracurricular involvement. These areas make up the foundation of our fraternity's tradition.

Many freshmen come into college with a distorted view of the Greek system because of the media and their coverage of the bad examples of our system. We offer this scholarship as an opportunity to dispel those misconceptions and give students a better idea of what a fraternity like TKE is all about. I know from personal experience that TKE and other fraternities offer the opportunity for the greatest college experience possible.

The Triangle Achievement Scholarship winners will be notified at the Triangle Achievement Scholarship Dinner on September 16th in the LSC Ballroom. Applications must be postmarked no later than August 18<sup>th</sup>, 2003. If you have any questions don't hesitate to contact me.
