Dear Degree Applicant:

The 75th Texas Legislature created several new performance measures for institutions of higher education. One of the performance measures Sam Houston State University must submit to the Legislative Budget Board is the percentage of graduating baccalaureate students whose parents did not attend college. Parents are defined only as birth parents, adoptive parents, or legal guardians.

Please respond to the question below and return the bottom portion of this letter to the Office of the Registrar, Box 2029, Huntsville, TX 77341.

Your assistance will be greatly appreciated.

Sincerely,

Teresa Ringo
University Registrar
