Migrating Your Assessment Plan

Step One: Access the OATDB and navigate to the entity you wish to migrate. Once there click the “Migrating Previous Data” link.

Step 2: Once you have entered the “Migrate Level Data” menu, click “Continue.”
Step Three: Select ALL goals you want to migrate to the current cycle and click “Continue.”

Step 4: Click the “Submit” button.
Step 5: Click “Continue” to finish the migration process.

Data Migrated

The level data has been migrated.
