Dear Students,

It is with great pleasure that I welcome all new and returning students to Sam Houston State University. We are pleased that you chose this university.

The year is filled with many new and exciting things for everyone. Those of you who are returning students are already aware of the many opportunities for learning, recreation, and enjoyment that SHSU has to offer. If you are a new student, I urge you to become familiar with the activities available to you and to take advantage of them. It is important that you become involved in the University Community.

I ask that you thoroughly read this handbook and become familiar with the various rules and regulations and the rights and responsibilities of others on campus. The faculty and staff are willing to assist you whenever possible. Do not hesitate to ask questions.

We are glad to have you as a member of the Bearkat family. I wish for you a very good year.

Sincerely,

James F. Gaertner
President
ment, who observes a person violating this policy, is authorized to issue a citation. Fees are determined by the number of citations incurred each semester.

Section 3. Violators’ Obligation and Appeal Procedure:

A. Citations for violations may be paid at the Cashier’s Office or the University Police Office or by mail to the University Police Office.

C. All citations appealed shall be adjudicated through the university’s Parking Appeals Committee. The Parking Appeals Committee shall be comprised of a pool of students, faculty and administrative staff appointed by the president. Any two or three members of the pool will constitute an appropriate hearing committee. The Parking Appeals Committee shall hear all appeals filed by faculty, staff, and students.
D. Students who fail to resolve citations are subject to disciplinary action.
E. Any person receiving three or more unresolved citations shall be considered to be in flagrant violation of this policy and their bicycle, roller-skates/in-line skates, or skateboard may be impounded and held at the University Police Department pending final action by the Dean of Students.

CODE OF STUDENT CONDUCT AND DISCIPLINE

5. STUDENT CONDUCT AND DISCIPLINE.

5.1 Acquaintance with Policies, Rules, and Regulations. Each student is expected to be fully acquainted and comply with all published policies, rules, and regulations of the component, copies of which shall be available to each student for review online and/or at various locations on each campus. Students are also expected to comply with all federal and state laws.

5.2 Student Misconduct. Each student is expected to act in a manner consistent with the component’s functions as an educational institution, including off campus conduct that is likely to have an adverse effect on the component or on the educational process. No person or group of persons acting in concert may willfully violate the following rules. (20) Harassment where the individual intentionally threatens, in person, by telephone, electronically, in writing, or by other means, to take unlawful action against any person and by this action intentionally, knowingly, or recklessly annoys or alarms the recipient or intends to annoy or alarm the recipient.

The component may initiate disciplinary proceedings against a student accused of any form of academic dishonesty, including but not limited to, cheating on an examination or other academic work, plagiarism, collusion, and the abuse of resource materials.

5.31 “Cheating” includes, but is not limited to:

5.33 “Collusion” means the unauthorized collaboration with another person in preparing work offered for credit.

5.34 “Abuse of resource materials” means the mutilation, destruction, concealment, theft or alteration of materials provided to assist students in the mastery of course materials.

5.35 Academic work means the preparation of an essay, dissertation, thesis, report, problem, assignment, or other project that the student submits as a course requirement or for a grade.

5.36 Disciplinary Procedures for Academic Dishonesty:

(1) Academic Process. All academic dishonesty cases may be first considered and reviewed by the faculty member. If the faculty member believes that an academic penalty is necessary, he/she may assign a penalty but must notify the student of his/her right to appeal to the department chair, the dean and, eventually, to the vice president for academic affairs (whose decision shall be final) before imposition of the penalty. At each step in the process, the student shall be entitled to written notice of the offense and/or of the administrative decision, an opportunity to respond, and an impartial disposition as to the merits of his/her case. After completion of the academic process, the academic officer making final disposition of the case may refer the matter to the chief student affairs officer for any additional discipline that may be appropriate.

(2) Disciplinary Process. In the case of flagrant or repeated violations, the chief student affairs officer may take such additional disciplinary action. No disciplinary action shall become effective against the student until the student has received procedural due process under Subsection 5.6 and following except as provided under Subsection 5 (15).

(3) Honor Code. If a component has adopted an Honor Code which includes an Honor Council that makes decisions on appeals of penalty grades issued by a faculty member and disciplinary action on cases of flagrant or repeated violations, the hearings which consider disciplinary action must afford the students procedural due...
process under Subsection

5.6. Appeals of academic decisions rendered by an Honor Council shall be heard by the Vice President for Academic Affairs and appeals of disciplinary decisions rendered by an Honor Council shall be heard by the Chief Student Affairs Officer. In the event of conflicts, these Rules and Regulations shall govern.

5.4 Campus Disruptive Activities. Pursuant to Education Code, Subsection 51.935 (Disruptive Activities), the components shall adhere to the following rules and regulations:

5.41 No person or group of persons acting in concert may intentionally engage in disruptive activity or disrupt a lawful assembly on a component campus. Disruptive activity means:

(1) Obstructing or restraining the passage of persons to the campus or an area of the campus or to an exit, entrance, or hallway of any building without the authorization of the administration of the component;
(2) Seizing control of an area of a campus or any building or portion of a building for the purpose of interfering with any administrative, educational, research, or other authorized activity; or
(3) Disrupting and/or preventing or attempting to prevent by force or violence or the threat of force or violence any lawful assembly authorized by the component administration. A lawful assembly is disrupted when a person in attendance is rendered incapable of participating in the assembly due to the use of force or violence or a reasonable fear of force or violence.

5.42 Any person who is convicted the third time of violating this statute shall not thereafter be eligible to attend any school, college, or university receiving funds from the state of Texas for a period of two years from such third conviction.

5.43 Nothing herein shall be construed to infringe upon any right of free speech or expression guaranteed by the Constitution of the United States or the state of Texas.

5.5 Suspended, Expelled, and Dismissed Student Restriction. No student who has been suspended, expelled, or dismissed for disciplinary reasons from a component of the System shall, during the applicable period of discipline, be eligible to enroll at any other System component. The registrar of a component is authorized to make an appropriate notation on the student’s transcript to accomplish this objective and to remove the notation when the student’s disciplinary record had been cleared.

5.6 Procedure for Administration of Discipline. The chief student affairs officer shall have primary authority and responsibility for the administration of student discipline at the component and for investigating allegations that a student has violated System and/or component rules and regulations, or specific orders and instructions issued by an administrative official of the component.

5.61 The chief student affairs officer or his/her appointee, hereto referred to as officer, will investigate the alleged violations. During the investigation, if the student is available, the officer will give the student an opportunity to explain the incident. If the officer concludes that the student has violated a System or component policy,
the officer will determine (but not assess) an appropriate disciplinary penalty.

(1) The officer will discuss his or her findings and his or her determination of an appropriate penalty with the student if the student is available and will give the student an opportunity either to accept or reject the officer’s decision.

(2) If the student accepts the officer’s decision, the student will so indicate in writing and waive his or her right to a hearing. The officer may then assess the disciplinary penalty.

(3) If the student does not accept the officer’s decision or does not waive his or her right to a hearing, a disciplinary hearing will be scheduled in accordance with Subsections 5.7 and 5.10.

5.62 If the student does not execute a written waiver of the hearing process, then the officer shall prepare a written statement of charges and of the evidence supporting such charges, including a list of witnesses and a brief summary of the testimony to be given by each, and shall send a notification of such charges and statement to the accused student by certified mail, return receipt requested, addressed to the address appearing in the Registrar’s records, or shall hand deliver said document with the student signing a receipt.

Sam Houston State University — Formal Mediation

In matters involving interpersonal disputes, the Hearing Officer may suggest that the matter be submitted to mediation. If the involved parties (the accused[s] and complainant[s]) agree the matter will be submitted to mediation before the mediator acceptable to all parties.

The goal of the mediation is the execution of a “Contract of Resolution” which will specify the terms of the parties’ settlement of their dispute. The Contract of Resolution will be placed in each involved student’s disciplinary file. Any violation of the terms of the Contract of Resolution shall be grounds for formal disciplinary action.

If the involved parties are unable to agree upon a resolution, the matter will proceed to formal disciplinary proceedings. The Mediator shall at all times retain discretion to terminate the mediation and proceed to formal disciplinary proceedings where he/she determines that the mediation process is not making adequate progress toward an appropriate resolution. All Contracts of Resolution must be approved by the Chief Judicial Officer. Whenever mediation is unsuccessful and the matter proceeds to formal disciplinary hearings.

5.7 Student Disciplinary Hearings. In those cases in which the accused student disputes the facts upon which the charges are based, such charges shall be heard and determined by a fair and impartial person or committee, hereinafter called the hearing officer or hearing committee, selected in accordance with procedures adopted by the component. Except in those cases where immediate interim disciplinary action has been taken under authority of Subsection 5.(14), the accused student shall be given at least five (5) class days written notice by the chief student affairs officer, or a designated appointee, of the date, time, and place for such hearings and the name or names of the hearing officer or hearing committee. Hearings held under Subsection 5.(14) will be held under the same procedures set forth below, but will be held as soon as practicable within twelve (12) class days after the disciplinary action has been taken unless otherwise agreed to by the student.
Upon a hearing of the charges, the component representative has the burden of going forward with the evidence and the burden of proving the charges by the greater weight of the credible evidence. The hearing shall be conducted in accordance with procedures adopted by the component that assure both parties (component representative and accused student) the following minimal rights:

5.71 Both parties will exchange lists of witnesses, expected testimony, copies of documents to be introduced, and notice of intent to use legal counsel, at a reasonable time prior to the hearing.

5.72 Each party shall have the right to appear and present evidence in person and to be advised during the hearing by a designated representative or counsel of choice. Each party shall limit its presentation to relevant evidence. The accused student must attend the hearing if the student desires to present evidence. The hearing may proceed notwithstanding the accused student’s failure to appear.

5.73 Both the component representative and the accused student shall have the right to question witnesses. The accused student may question witnesses with the advice of a designated representative or counsel. All questions shall be limited to relevant evidence.

5.74 The hearing will be recorded. If either party desires to appeal the finding, a copy of the recording will be produced at the expense of the party appealing the finding, and both parties will be furnished a copy for appeals purposes only.

5.8 Student’s Right to Challenge Impartiality. The accused student may challenge the impartiality of the hearing officer or a member of the hearing committee at any time prior to the introduction of any evidence. The hearing officer or member of the committee shall be the sole judge of whether he or she can serve with fairness and objectivity. In the event the challenged hearing officer or member of the hearing committee chooses not to serve, a substitute will be chosen in accordance with procedures adopted by the component.

5.9 Determination of Hearing. The hearing officer or hearing committee shall render a decision to both parties as soon as practicable as to the guilt or innocence of the accused student and shall, if necessary, assess a penalty or penalties including, but not necessarily limited to:

1. Verbal or written warning.
2. Requirement that the student complete a special project that may be, but is not limited to, writing an essay, attending a special class or lecture, or attending counseling sessions. The special project may be imposed only for a definite term.
3. Cancellation of residence hall or apartment contract.
4. Disciplinary probation imposed for a definite period of time which stipulates that future violations may result in disciplinary suspension.
5. Ineligibility for election to student office for a specified period of time.
6. Removal from student or organization office for a specified period of time.
7. Prohibition from representing the component in any special honorary role.
8. Withholding of official transcript or degree.
10. Restitution whether monetary or by specific duty.
ties or reimbursement for damage to or misappropriation of component, student, or employee property.

(11) Denial or non-recognition of a degree.

(12) Suspension of rights and privileges for a specific period of time, including access to electronic network facilities and participation in athletic, extracurricular, or other student activities.

(13) Failing or reduction of a grade in test or course, and/or retaking of test or course, and/or performing additional academic work not required of other students in the course.

(14) Suspension from the component for a specified period of time. During suspension, a student shall not attend classes or participate in any component campus activities.

(15) Loss of or ineligibility for student grant or loan.

(16) Expulsion from the component. A student who is expelled from the component is not eligible for readmission to the component.

(17) Dismissal from the component. A student, who is dismissed, is separated from the component for an indefinite period of time.

(18) Recording sanctions in Subsections 5.9(9), (11), (13), (14), (15), and (18) may be made on a student’s permanent transcript. The component may maintain confidential records of all other sanctions and may consider any prior sanction received by a student in assessing a subsequent sanction. The component shall develop a procedure for expunging those records not transcribed on a student’s permanent transcript within a reasonable time not to exceed five (5) years after the student ceases to be enrolled.

(20) A student who, by a preponderance of the evidence, under these Rules and Regulations, is found to have illegally possessed, used, sold or distributed any drug, narcotic, or controlled substance, whether the infraction is found to have occurred on or off campus, shall be subject to discipline, ranging from mandatory, university or college approved counseling to expulsion. Mitigating or aggravating factors in assessing the proper level of discipline shall include, but not necessarily be limited to, the student’s motive for engaging in the behavior; disciplinary history; effect of the behavior on safety and security of the university or college community; and the likelihood that the behavior will recur. A student who has been suspended, dismissed, probated or expelled from any system component shall be ineligible to enroll at any other system component during the applicable period of discipline. The registrar of each component is authorized to make an appropriate notation on the student’s transcript to accomplish this objective and to remove the notation when the student’s disciplinary record has been cleared. A second infraction
for a drug-related offense shall result in permanent expulsion from the component and from all other institutions in The Texas State University System.

(21) The levying of a monetary fine.

5.10 Appeal. Neither party may appeal if the hearing officer or hearing committee determines that the allegations against the accused student are true but the only punishment assessed is verbal or written warning. In those cases, the determination of the hearing officer or hearing committee is final. However, in all other cases, either party may appeal to the chief student affairs officer. If the hearing officer has been an appointee designated by the chief student affairs officer or if the determination has been made by a hearing committee, the appeal will be made to the chief student affairs officer or designated appointee. If the chief student affairs officer has served as the hearing officer, the appeal will be made to the vice president in charge of student affairs. Written notice of appeal must be received by the appeal officer within five (5) business days after the decision. An appeal is not simply a rehearing of the original case. An appeal must be based on: 1) whether or not a fair hearing was afforded. A fair hearing includes notice of the alleged misconduct, and an opportunity to present evidence; 2) whether or not the sanctions levied were appropriate to the offense; 3) whether or not the finding was supported by the evidence; and/or 4) whether or not new evidence is introduced that was not available at the time of the hearing. Both parties, at the discretion of the appeal officer, may submit oral or written arguments, to support their positions. In order for the appeal to be considered, the appealing party must submit all necessary documentation, including written arguments, when appropriate, to the appeal officer within five (5) business days after giving notice of appeal. The appeal officer may approve, reject, modify the decision, or remand the matter to the original hearing officer or hearing committee for reconsideration. The appeal officer shall respond to the appeal within ten (10) business days after all the documentation was received and all testimony was heard, or he or she may postpone a decision for good cause.

5.11 Review of the Vice President in charge of Student Affairs. The vice president may review any disciplinary case and may approve, reject, modify the decision or remand the matter to the original hearing officer or committee for reconsideration.

5.12 President’s Right to Review. The president may review any disciplinary case, and approve, reject, or modify the decision or remand the matter to the original hearing officer or hearing committee for reconsideration.

5.13 Board of Regents’ Right to Review. The Board of Regents retains the right to review, any disciplinary action and approve, reject, modify the decision, or remand the matter to the original hearing officer or hearing committee for reconsideration.

5.14 Interim Disciplinary Action. The chief student affairs officer, the vice president in charge of student affairs, or the president of the component may take immediate interim disciplinary action, including suspension, pending a hearing against a student for violation of a rule and regulation of the System or of the component at which the accused is a student when the continuing presence of the student poses a danger to persons or property or an ongoing threat of disrupting the academic process. In the event that the interim disciplinary action includes suspension, the component official involved shall, as soon as possible, notify the President...
and the Vice Chancellor and General Counsel of such action.

5.15 Civil Proceedings. Every student is expected to obey all federal, state, and local laws and is expected to be familiar with the requirements of such laws. Any student who violates any provision of those laws is subject to disciplinary action, including expulsion, notwithstanding any action taken by civil authorities on account of the violation.

**STUDENT COMPUTER USE POLICY**

All students, full- or part-time, are granted permission to use the computing resources of the university. The use of these systems is governed by the following rules and any violation of these rules may result in disciplinary actions as well as possible legal actions.

The permission for use is granted to each student by Sam Houston State University for non-commercial use of the computing and communications facilities and services of the university, including its computer systems, associated peripherals and files, telephone and network access, and all university microcomputers, according to the terms described herein.

This permission extends to the use of licensed software according to the regulations set forth herein by Sam Houston State University for the use of such software. The student use of such software is governed by the terms of licensing agreements between the university and the software licensors, and the student must abide by the terms of those agreements. These software programs are proprietary and may, therefore, be subject to copyright or patent restrictions as defined in the license agreements. Students must not copy, disclose, transfer, or remove any proprietary programs from the media on which this software resides. Students must not use Sam Houston State University equipment or software to violate the terms of any software license agreement. Information on specific software licenses on all public computer systems can be obtained from the university Computer Services Department or other appropriate department.

Students must not use Sam Houston State University’s computer systems, including any of its communications facilities and services, in any way which deliberately diminishes or interferes with the reasonable and private use of any computer systems, or which is intended to do same. Sam Houston State University retains the right to inspect and/or remove, when necessary, as a function of responsible system management, all disk files stored on the university computing facilities.

Upon violation or misuse of the computing facilities at Sam Houston State University, the university retains the right to deny future computing privileges at all university-owned computing facilities. In addition any student found in violation may also be subject to further disciplinary action, as well as legal action under Section 1, Title 7, Chapter 33 of the Texas Penal Code, as well as legal action by the owners and licensors of proprietary software for violation of copyright laws and licensor agreements.

**DEBTS OF STUDENTS**

Debts of Students or Organizations

Neither the system nor any component university is responsible for debts contracted by individual students or by student organizations. On the other hand, all students and student organizations are expected to conduct themselves honorably in all commercial transactions. Neither the system nor any component university will assume the role of a collection agency except for monies owed to the system or one of its component universities, nor will the system or any of its component universities adjudicate disputes between students and creditors over the existence or the amounts of debts except with the prior approval of the president of the university or his designated appointee in those cases where the interests of the university may be a factor.
