7. **EVALUATION.**

7.1 The Chancellor shall review annually the general performance and effectiveness of each President, presenting to the Board his or her written opinions, advice, and recommendations as to the President’s employment, subsequent to which the Board shall meet with the Chancellor and President being evaluated. This evaluation shall take place before a quorum of the full Board of Regents, and in executive session, unless the subject President requests a public evaluation.

7.2 The Presidents of the Components shall periodically evaluate the effectiveness of all administrative officers who report directly to them and establish procedures for the evaluation of the effectiveness of all other administrators.

8. **TERMINATION.**

The Chancellor may, by interim action, terminate the appointment of a Component President when in his/her judgment the interests of the System or of the Component require termination. The President shall not have a right to a hearing before the Board unless he/she makes a *prima facie* showing that the decision to terminate constitutes violation of a right guaranteed by the laws or Constitution of the State of Texas or of the United States. If the President has tenure at the Component, termination as a member of the tenured faculty shall be only for good cause shown; and, he/she shall be entitled to a tenure revocation hearing as specified in *Chapter V.*
