4.7 Honoraria. Regents and employees may not solicit, accept, or agree to accept an honorarium in consideration for services they would not have been asked to provide but for their official position or duties. This prohibition includes a request for or acceptance of a payment made to a third party if made in exchange for such services. However, they may accept the direct provision of or reimbursement for expenses for transportation and lodging incurred in connection with a speaking engagement at a conference or similar event, provided the Regent's or employee's participation is more than merely perfunctory. Meals provided as a part of the event or reimbursement for actual expenses for meals may also be accepted.

5. POLITICAL ACTIVITIES

5.1 Use of System Funds, Personnel or Property. No Regent shall expend or authorize the expenditure of any State appropriated funds for the purpose of influencing the outcome of any election, or the passage or defeat of any legislative measure.

5.2 Political Contributions. Regents may make personal contributions to candidates for office and political organizations, with one exception. A Regent may not expend more than $100 for the cost of correspondence to aid or defeat the election of a speaker candidate.

5.3 Entertainment. If a System or component employee provides tickets to a public official to allow the official and/or his guests to attend an event, an officer or employee of the System or a component will serve as host to the official, and must attend the event.

5.4 Perishable Food Items. System or component employees may provide Public officials with small, infrequent gifts of perishable food items delivered to their offices. These are not considered to be "benefits" for purposes of the provisions of the Penal Code prohibiting such.

5.5 Expenses for Public Officials. System components may pay expenses in order to furnish information to state officials relevant to their official position, including presentations about the programs and services of The Texas State University System and its components.

5.6 Use of Official Authority Prohibited. No System or component employee may use his or her official authority or influence, or permit the use of a program administered by the System to interfere with or affect
the result of an election or nomination of a candidate or to achieve any other political purpose. No System or component employee may do any act or attempt to interfere with anyone who seeks to pay, lend, or contribute private funds or private property to a person or political organization for political purposes. Any System or component employee who violates either of these provisions is subject to immediate termination of employment, in accordance with the Government Code.

5.7 Use of System Funds or Property. No System or component employee shall expend or authorize the expenditure of any System or component funds for the purpose of influencing the outcome of any election, or the passage or defeat of any legislative measure. No System or component funds may be expended for the payment of full or partial salary of any employee who is also the paid lobbyist of any individual, firm, association, or corporation. System and component facilities may be used as polling places for local, state, and national elections.

5.8 Voting and Political Participation. As employees of the State of Texas, System and component employees have the rights of freedom of association and political participation guaranteed by the state and federal constitutions, except as limited by valid state laws. System and component employees shall be allowed sufficient time off to vote in public elections without a deduction from pay or from accrued leave time.

5.9 Political Campaign Events on System Property. The Chief Executive Officers of the components of The Texas State University System shall be responsible for promulgating rules for the regulation of political campaign meetings or speeches and other activities relating to political campaigns on property under their control. Such regulations shall be implemented by the Chancellor after approval by the Board of Regents.

5.10 Employees as Candidates and Officeholders. System and component employees may run for election and serve as members of the governing bodies of school districts, cities, towns, or other local governmental districts. No campaign activities may be conducted during official business hours unless the employee has requested and received permission to use leave time for such purpose. Any employee elected to such a position may not receive any salary for serving as a member of such governing bodies.

5.11 Political Contributions from Employees. System and component employees may make personal contributions to candidates for office and
political organizations, with the exception that no state employee may contribute personal services, money, or goods of value to a candidate campaigning for speaker of the Texas House of Representatives.

6. USE OF AUTHORITY.

6.1 Misapplication of Property. A Regent shall not intentionally or knowingly misapply anything of value belonging to the government that comes into the Regent's custody or possession by virtue of his or her office with the intent to obtain a benefit or to harm another.

6.2 Nepotism. Regents are prohibited from appointing, voting for, or confirming the appointment of any person related to such Regent within the third degree by consanguinity (blood) or within the second degree by affinity (marriage) when the salary or compensation for such person is to be paid from public funds. All employment decisions must be made in compliance with Chapter V, Section 2.2 of the System's Rules and Regulations.

6.3 Misuse of Official Information. A Regent shall not, in reliance on information to which he or she has access in his or her official capacity and which has not been made public: (1) acquire or aid another in acquiring a pecuniary interest in any property, transaction, or enterprise that may be affected by the information; or, (2) speculate or aid another in speculating on the basis of such information.

7. DUAL OFFICE HOLDING.

7.1 Non-Elective State or Federal Office. System and component employees may hold non-elective offices with boards, commissions, and other state and federal entities provided that the holding of such office, (1) is of benefit to the State of Texas, or is required by state or federal law, and (2) is not in conflict with the employee's position. Such appointments must be approved by the responsible CEO of the component. Prior to the Chancellor's or a CEO's accepting an invitation to serve in an additional non-elective office, the Board of Regents must determine that the appointment meets the two requirements stated above. The Board must also make an official record of any compensation to be received by the Chancellor or CEO from such appointment, including salary, bonus, per diem or other types of compensation.
