d. Any further documentation that clarifies achievements in other sections or includes other material supporting promotion or tenure

(Note: Copies of publications and/or other materials mentioned in the Faculty Review Portfolio are not required when the portfolio is submitted. However, each candidate must be prepared to provide any committee or administrator involved in the promotion and tenure review process with supporting documentation upon request.)

7. DEPARTMENT PROMOTION AND TENURE ADVISORY COMMITTEE (DPTAC)

7.01 The DPTAC shall be an advisory body composed ordinarily of all of the tenured faculty members appointed in the tenure unit. The dean shall appoint the chair for this committee.

7.02 If the DPTAC, when constituted in accordance with section 7.01, has three or fewer tenured members, then the department chair and either (a) the probationary faculty member or (b) the person to be considered for promotion shall submit to the dean a list of three names of tenured faculty members from other tenure units who are qualified to serve on the DPTAC. The nominations should be accompanied by documentation of the nominees’ relevant qualifications. The dean shall appoint members from these lists until there are at least four members of the DPTAC. The dean shall also appoint the chair for this committee. If the need arises to replace a member of the DPTAC, the dean shall follow the same procedure.

7.03 With regard to the DPTAC formed as a result of 7.02, in the case of a probationary faculty member, the members of the DPTAC should be appointed to review the performance of the probationary faculty member every year beginning with the second year of employment and continuing until a final recommendation concerning tenure is made. In the case of promotions, the members of the DPTAC should be appointed to review the performance of the faculty member every year beginning with the second year after the previous promotion and continuing until a final recommendation concerning promotion is made.

7.04 The full DPTAC shall limit its recommendations to tenure decisions. Decisions about promotion should be made by all members of the DPTAC...
holding at least the rank for which the candidate is being considered for promotion. All votes by the committee shall be done by secret ballot. A separate record of the vote count for tenure and/or promotion from the DPTAC members shall be transmitted to the appropriate administrator and to the Standing Faculty Tenure Committee.

7.05 In addition to annual reviews, an extensive review shall be conducted during the spring semester of the faculty member’s third academic year of probationary service by the DPTAC, as well as the department chair and dean. The review should include an indication of the degree of consensus of the DPTAC, in the form of a preview vote, regarding the probationer’s progress toward tenure. The general result (whether the majority vote was favorable or not favorable) should be reported to the probationer by the department chair and dean. A written summary of the DPTAC’s assessment and the department chair’s review shall be kept in the probationer’s tenure file.

8. REVIEW OF PROBATIONARY FACULTY

8.01 Formative review of faculty is an ongoing process. A faculty member in the first year of probationary service as an instructor, assistant professor, or nontenured associate professor is reviewed by the department chair based on the performance categories outlined above. If the progress of the faculty member toward meeting the required standards of performance is judged to be insufficient, the chair may notify the faculty member of his/her nonreappointment.

8.02 If the progress of the faculty member toward meeting the standards of performance required for eligibility for tenure and/or promotion to assistant or associate professor is judged to be inadequate the dean shall make a decision and, if a faculty member is not to be renewed, notify the faculty member in writing.

8.03 If the performance of the faculty member is judged to be satisfactory to continue in probationary status, the department chair will discuss the results of the review with the faculty member and provide her/him with a copy of the written report.

8.04 At Sam Houston State University the title of instructor denotes a tenure-track probationary appointment and is used to appoint a faculty member who is near
completion but does not have the terminal degree in his/her area. The maximum period that may be served in the rank of instructor is two years. In unusual circumstances, a petition for a one-year extension may be made by the probationary faculty member to the Provost and Vice President for Academic Affairs. This three-year limit does not apply to existing tenured instructors at the time of the policy’s approval. Recommendations for promotion to assistant professor will be made at the earliest opportunity for consideration by the Board of Regents, The Texas State University System, when a faculty member serving in an instructor position has completed all requirements for the terminal degree. Otherwise, during an instructor’s second year of service, the department/school chair shall notify the instructor in writing not later than thirty days prior to the end of the current academic year that the subsequent year will be the terminal academic year of appointment. Notice is not required where termination of employment is for good cause or program reduction or abandonment.

9. ELIGIBILITY FOR COMMITTEE SERVICE

Department/school chairs, deans, and vice presidents are not eligible to serve on the DPTAC.

10. APPOINTMENTS OF PROFESSORS

Special appointments to the rank of professor may be with tenure except when the appointment is that of visiting professor, which is a nontenure-track rank.

11. REVIEW TIMETABLE AND PROCEDURES

The individual faculty member is responsible for preparing and submitting all materials to be considered for promotion and tenure. The review process and the approximate annual timetable for the review procedure are as follows:

a. By second Monday in October

Prior to the first Monday, deans will receive a list from the Provost’s office of all faculty members who are eligible for either promotion and/or tenure. By the second Monday in October, the respective chairs will notify each faculty member who is eligible for consideration for promotion and/or tenure. Individual faculty members who are not notified may also choose to apply; these faculty members
must meet the same standards of performance as those who are notified by their chair.

b. By first Monday in February

Each individual faculty member who intends to be considered for promotion and/or tenure must submit a complete Faculty Review Portfolio to the chairperson of the Department Promotion and Tenure Advisory Committee (DPTAC).

c. By second Monday in February

The chairperson of the DPTAC will submit the recommendations of the committee to the department chair. Each Faculty Review Portfolio must be forwarded with a separate recommendation for or against promotion and/or tenure. The recommendation must include a tally of the vote of the committee in terms of the number of votes in favor and against. This recommendation becomes part of the Faculty Review Portfolio.

d. By third Monday in February

The department chair will forward each Faculty Review Portfolio with a recommendation for or against promotion and/or tenure to the dean. A separate recommendation letter must accompany each portfolio. This recommendation becomes part of the Faculty Review Portfolio.

e. By first Monday in March

The dean will forward each Faculty Review Portfolio with a recommendation for or against promotion and/or tenure to the Provost and Vice President for Academic Affairs. This recommendation becomes part of the Faculty Review Portfolio.

f. By second Monday in March

The Provost and Vice President for Academic Affairs will forward each Faculty Review Portfolio with a recommendation for or against promotion and/or tenure to the University President. This recommendation becomes part of the Faculty Review Portfolio. At the same time, the Provost and Vice President for Academic
Affairs will notify the faculty member under consideration for promotion and/or tenure of his/her recommendation.

g. By third Monday in March

The University President will send his recommendation to the Board of Regents for consideration.

12. APPEALS

Faculty members who are denied promotion and/or tenure have the right to appeal. All appeals shall follow the established policies and procedures for faculty grievances (see Academic Policy Statement 820830). All appeals must be initiated by September 1 of the calendar year in which the denial of promotion and/or tenure occurs.

13. REVISIONS TO THIS POLICY

Substantive proposals for revisions to this policy shall be submitted to the Standing Faculty Tenure Committee, the University Faculty Senate, the Council of Academic Deans, and the Academic Policy Council for review and comment prior to action by the Provost and Vice President for Academic Affairs.
