David
Senior/Political Science

I have the best of both worlds:
A great school to attend and
a rock-climbing wall right on campus.
Keeping myself healthy is important
and rock-climbing is my outlet.
As part of the rock wall staff,
I get to work while feeding
my passion. I love it.

Brittany & Ashley
Freshmen/Roommates

From seventh grade science class
to being freshmen year roommates,
we do everything together. That's
why the decision to attend SHSU
was such an easy one. There is no
better place for making friends.
On for keeping them.

Aaron
Senior/Banking

Basketball might have attracted
me to SHSU, but it's not the
reason I stayed.
The small-town
feeling mixed with a big campus
Environment felt right.
I knew I would
be back at my time here
and see how much I've grown as
a student and person. The whole
experience is incredible. And I just
had to be a part of it.
