UNIVERSITY FACULTY SENATE

FACULTY SURVEY 2007

The bylaws of the University Faculty Senate require the Committee on Committees and Surveys to prepare an annual faculty survey to help in providing direction for the various Senate committees. Each year's questionnaire serves as the basis for a continuing examination of faculty attitudes in a variety of areas. As long as there is an adequate number of surveys returned from a college/library, the quantitative results of the survey will be given to the President and be part of the Senate minutes. Individual responses will be kept confidential.

Please return by April 1, 2007 to Gerald Kohers, Box 2056, SHSU.
