

SMMC Presentation- *Investing In Your Future*

Approximate Length: 30 minutes + 10 minutes for Q&A

Presentation Mechanism: Powerpoint/Lecture

Presenters: Professional Staff

Targeted Classification: Any classification of student

Handout Provided: N/A

Overview:

This presentation is an introduction to the stock market and the basics of investing. The presenters will introduce the different means in which one can invest and the associated risks. The presentation will provide information on where a student can invest, not where they should invest.

Visit our website (www.shsu.edu/~smmc) to schedule a presentation for your class.
