4.14 Reappointments. Written notice of a decision not to reappoint will be given to a tenure track faculty member not later than March 1st, of the first, or not later than December 15th of the second, academic year of probationary service. After two or more academic years, written notice shall be given not later than August 31st that the subsequent academic year will be the terminal year of appointment. The notice required by this *Section* is not applicable where termination of employment is for good cause under *Subsection 4.4* or for faculty members who are appointed on a term basis.

4.141 Reappointment or the award of tenure shall be accomplished only upon the Presidents written recommendation and the Chancellor's and the Board of Regent's approval. If the faculty member does not receive notice as prescribed in this *Chapter*, it shall be his or her duty to inquire as to the decision of the President, who shall without delay give the required notice to the faculty member. Failure of the Component to comply with the notice provisions of this *Chapter* shall not entitle a faculty member to *de facto* tenure, and these *Rules and*

Regulations expressly prohibit the awarding of *de facto* tenure.

4.142 Each faculty member shall keep the President or his or her designee notified of the faculty member's current mailing address. Written notices required by *Subsections 4.24* or *4.44* shall be sent by certified mail, return receipt requested. Notice shall be complete when deposited in the United States mail, addressed to the last known address given by the faculty member. The faculty member's failure or refusal to receive the notice is immaterial.
