Board, subject to the provisions of proper notice as required by these *Rules and Regulations*.

- 4.27 Non-reappointment and Denial of Tenure. A non-tenured faculty member, who is notified of non-reappointment in accordance with *Subsection 4.14* or who is notified in accordance with *Subsection 4.24* that tenure has been denied and that the subsequent academic year will be the terminal year of appointment, shall not be entitled to a statement of the reasons upon which the decision for such action is based.
- 4.28 Performance Reviews. Components shall develop and publish campus-specific faculty performance review policies.
 - 4.281 Annual Review Policies. Each Component shall develop campus-specific annual review policies for non-tenured faculty members.
 - 4.282 Performance Review of Tenured and Other Faculty. Each Component shall develop campus-specific post tenure policies and procedures to determine whether a tenured faculty member is performing consistently at an acceptable professional level as well as a mechanism whereby a faculty member is informed of any deficiencies and provided opportunity to improve his or her performance. Such policies and procedures shall be consistent with the tenure policies of this *Chapter and Education Code, Section 51.942* (Seventy-fifth Legislature, 1997) and shall accord faculty members fundamental due process and a right of appeal in accordance with existing Component and Board policy.

4.3 Promotion.

- 4.31 Discretionary Nature of Promotion. The academic promotion of a faculty member is discretionary on the part of the President of the Component, the Chancellor and the Board of Regents. Faculty members do not have an entitlement to a prospective promotion rising to the level of a property interest, and the denial of a prospective promotion is not sufficiently stigmatic to constitute a liberty interest. No commitments, implied or otherwise, shall be made by any individual regarding faculty promotions without the prior written approval of the President, and all faculty promotions shall be subject to the approval of the Chancellor and Board of Regents. Faculty members who are not recommended for promotion shall not be entitled to a statement of reasons for the decision against the recommendation. However, supervisors are encouraged to offer suggestions for a program of professional development in teaching, scholarly or creative work, and leadership or service that may enhance the likelihood of promotion in the future.
