

**MLA Page Formatting
7th Edition**

- No binders or folders
- Staple all pages together
- No title page
- Use an original title
 - Center title
 - No change of font
 - No bold
- Use 1” margins throughout
 - Note: most word processing programs are **not** set at 1” margin defaults
- Use header on first page
- Use a 10 or 12 point font in a standard typeface
- Use black ink on white paper
- Double space throughout, even for indented quotes.
- Indent (by 5 spaces) the first line of every paragraph
